Foreword

This is the day of commencement;

this is the day of looking forward to new worlds to discover and build.

We look back on our days of secondary education as days of transient things, of ephemeral events, to be known one day and forgotten the next. We remember the daily routine, the everyday faces, the monotonous lessons as shortlived experiences. We recall athletic awards, academic achievement, and individual success as flames of glory which burned only briefly. Each event did have a singular temporary importance, and nostalgia shall demand that importance in the years ahead. But the days of youth should not be remembered for small things only; we must bind all experiences together to find that one meaning, that one feeling that we shall take with us as a memorial to our high school days. In this book that meaning is to be found. The meaning is not to be written; it is to be felt, for it is a spirit,

the Spirit of '67

the Spirit of

T he Lion; in
H is heart is a valor which shall
E vermore be the driving force of his life.

L asting, enduring,
I t is the strength
O f him who has proved supremacy
N ever to be vanquished.

Dedication

With the voice of Stentor, we praise the deeds of a dedicated woman. For many years she has been a guiding light, one which will shine forever through the hearts and minds of her students. Her light has the lively spark of vitality, the brilliant flash of inspiration, the steady flame of understanding, the lasting ember of learning, and the promising glow of the future. For her dedication to so many of us, we dedicate the

LION of 1967

to

Editorial

*"For every thing there is a season,
and a time for every purpose
under heaven."*

Graduation is a time for reflection. It is a time to be grateful for the many priceless gifts that we have received. Love has protected us from the frightening realities of the world, while gently strengthening our hearts. Guidance has taught us to be confident of our abilities. Knowledge has afforded us an understanding of what life is and what our lives should be. In a time of peace we have developed, discovered, and dreamed. We have been given the opportunity to create the ideals which will make our lives individual amid a myriad of lives.

Graduation is a time for decision. Life has bestowed upon us infinitely more than we shall ever be able to repay. The only worthy compensation for life is life itself. This is our decision: are we content merely to exist or shall we live? Existence is a stagnant pond; life is a sparkling ocean. In existence there is gloom; in life, radiance. One is but superficial; the other is an essence. If we are to find the blithe spirit in living, we must choose to become a vital part of the glowing, active, challenging world before us.

Graduation is a time for action. This is the hour for encounter. The mysteries of life must be solved; seeds of knowledge must be sown; world problems must be overcome; human rights must be respected; freedom must flourish; and peace must reign supreme. In giving hope to the hopeless, we work not only for ourselves and our generation, but for generations yet to come. A dream? Perhaps, but we have the youth and courage to act that someday a dream may become a reality.

*"In the spring of the year, the time when kings go forth to battle,"
may we go forth . . .*

*"To discover the world before us,
Not to leave it unknown behind us."*

Appreciation

Chelmsford High School

June, 1967

Dear Mr. Quinn and Mrs. Carey,

You assumed a great responsibility by accepting the advisorship of our Senior Class. We appreciated the guidance that Mr. Elliott-Smith and Miss Habosian gave to us. We were sorry to see them leave, but hope they both find success in their new ventures.

Few of us will ever experience the myriad problems that you have encountered in carrying on as mentors. Your understanding in times of confusion, your patience in times of frustration, and your inspiration at all times have combined to make our last year at C.H.S., our best year.

Sincerely yours,

WHAT MAKES THE LION ROAR?

- L – Leadership, a most essential factor in any endeavor. Mrs. Helen R. Poland and Mrs. Brina Drobnis have guided Editor Christy Risska and the entire Staff in an effort to make this Yearbook a happy remembrance of our CHS days.
- I – Industry, the diligent work of many loyal Staff members. Literary, Business, Art, and Photography have worked together to produce the *Lion*. Logically, all problems were solved. . . . “Round pictures in a square book or square pictures in a round book. Take your choice!”
- O – Originality, that which makes the Class of '67 “uni-Q.” Famous quotations from our renowned faculty, attempts to make every friend “the pride of CHS” in twelve words or less, and desire to make our Yearbook “just a little bit better” have been our goals.
- N – Never-ending quest, our search to capture the Chelmsford High spirit!

Once more the *Lion* roars!

National Honor Society

To receive membership in the National Honor Society is to gain a proud feeling of recognized achievement. The qualities of scholarship, leadership, character, and service denote the high standards of the Society.

The Chelmsford High School Chapter, under the guidance of Miss F. Christine Booth, is the leader of many traditional events. The members act as ushers at the graduation of the preceding class. The group also honors the faculty and administration with a fall tea. Finally, as a unit, they formally induct the chosen members of the Junior Class into their society.

As means of financial support, the 1966-67 National Honor Society organized a cake sale at the annual High School Open House. Under the leadership of President Gregory Center, they also accomplished the most important task of "guarding" the Coke machine and reaping its financial benefits. May we leave next year's members with another year of fun and hope that no one violates the traditions of the Sacred Order of the Coke Machine Guard.

Student Council

Under the able leadership of President Robert Egan and Mr. Robert Dube, advisor, the Student Council has completed another successful year.

As always, the Student Council has been active in many projects within the school. During the football games the Council managed the refreshment stand. They also sponsored the paid assembly programs, the Talent Show, and planned a Computer Dance to be held in April. At Christmas time, the Council "adopted" two needy families, and was aided generously by the student body in making their season happy. Continued was the sponsorship of a Welfare Fund for the student body, to recognize illness or death.

This year, as part of its project to revise the dress code, the Student Council initiated the "Student Court," an advisory committee comprised of Veronica McHugh, William Hulick and Richard Townsend.

The Council also sponsored a luncheon buffet where Chelmsford High's foreign exchange students were able to meet the members of the faculty.

The Council is especially proud of Pamela Frank who was nominated for the presidency of the Eastern Massachusetts District of Student Councils. The election is to be held on April 1st.

Throughout the year, the Council members have attended conventions in Ayer, Weston, and Wellesley.

Again, the Student Council is to be commended for its high standards of performance and for its active contributions to the well-being of the Student Body at C.H.S.

Library Club

The Library Club stands high among the groups most beneficial to Chelmsford High School. The girls, under the direction of Mrs. Helen Mills, have aided many students with their knowledge of the library's facilities. From three to five hours a week they serve checking out books, filing cards and source material, organizing periodicals, and assisting their classmates in using everything from the vertical file to the Reader's Guide. The members carried out also the small, but very necessary tasks of pasting, mending and labeling books. May we thank Mrs. Mills and the girls for the organized, informative, and pleasant library they have given Chelmsford High.

History and Current Events Club

The purpose of the History and Current Events Club, an organization new to the school this year, is to provide an opportunity for those students interested in social studies and modern problems to analyze and discuss today's world. At the meetings, which are held bi-monthly, there have been stimulating interchanges of ideas concerning such topics as *The Warren Report* and Communist China. Many such seminars have been under the direction of Mrs. Eileen Fletcher and Mrs. Kathleen Berwick and the underclass members look forward to another year of expanding horizons.

Dramatic Club

The Dramatics Club might be more appropriately called a Bunny Club, for this year its featured function was the presentation of *Harvey* as the annual play. Written by Mary Chase, *Harvey* was directed by Mrs. Virginia Cyr and Miss Jane Reen. The play, a comedy, revolves around the rabbit Harvey who is seen only by Elwood P. Dowd, who is consequently deemed insane. By the end of a series of antics (some rather funny, and others rather dull) it is seen that Elwood is the only sane character, and all the others are crazy.

The principals of the cast included Bill Connell starring as Elwood, Mary Guaraldi as Veta Louise Simmons who is fed up with Harvey, Kathy Remick as the naive Myrtle Mae Simmons, David Farwell as the brilliant but eccentric Dr. Chumley, Roland Risska as handsome Dr. Sanderson, Elaine Riccio as sexy Miss Kelly, Phil Ludwig as the "all brawn-no brain" Wilson, and Marc Sills as the pompous Judge Goffrey. Also featured were Sue Ryan as Carlos Iragorri, Diane Arcese, Cathy Miller and Mary Lahue. The six-foot Pooka was played by Harvey himself.

The cast worked together with an enthusiastic stage crew, led by Mark Descoteaux and Jim Bannister. They built, borrowed, or otherwise obtained the whole set—flats, furniture, bric-a-brac. Production Manager Jay McAuliffe was a vital factor in keeping all phases of the work coordinated.

Special credit is given to Directors Cyr and Reen whose capable guidance of the production staff and skilled coaching of the play cast led to another dramatic success in the George S. Wright Memorial Auditorium.

Press Club

The Press Club has as its special purpose the developing of good public relations between Chelmsford High School and the world outside. Its specific task is that of acquainting the greater Lowell area with the activities of the student body and of the high school faculty.

Under the able direction of Mr. Elwood Bent, the members collect news of interest and prepare this for publication weekly in the *Chelmsford Newsweekly*. Those particularly active in reporting C.H.S. events are the following:

Judy Cabana
Kathy Day
Carole Dunlavy
Penny Leonard
Mary McMullen
Maureen Tousignant

Future Teachers of English

The Future Teachers of English was established three years ago for students interested in teaching English. Although primarily a working group, they have monthly organizational meetings. To assist the English department in the English office, Library, and classrooms is their goal. Each girl devotes her free periods to stamping and numbering sets of books, cataloguing material, and listing audio-visual aids.

The members, under the guidance of Mrs. Charlotte Carriel are Julie Barrows, Chris Cummings, Anne Flitcroft, Jeanne Flitcroft, Mary Guaraldi, Julie Laughlin, Carol Lebedzinski, Nancy Lebedzinski, Jayne Serwin, and Mary Storey.

President — Jeanne Flitcroft

Vice President — Mary Guaraldi

Secretary-Treasurer — Carol Lebedzinski

Speech Club

The 1966-1967 Speech Club found its leadership in one of the most qualified teachers at Chelmsford High, Mrs. Virginia Cyr. The Club was formed with the presentation of the 1966 Veterans' Day Program, a meaningful presentation arranged carefully by Mrs. Cyr. Cindy Carpenter, representing the Club, entered the American Legion's Voice of Democracy Contest in December. As the year progressed the Speech Club became incorporated with the Drama Club as Mrs. Cyr accepted the co-directorship of the play, *Harvey*. This year the combined clubs look forward to the annual Suffolk University Speech Contest. The 1966 group was honored by Marc Sills' winning an esteemed Third Prize in the Extemporaneous Speaking Competition. Our best wishes to Chelmsford High's 1967 representatives.

Key Club

The Chelmsford High Key Club is a service organization affiliated with the Chelmsford Kiwanis Club. Its activities this year have included: selling football programs, donating \$25 to the Needy Family Fund, and managing a highly successful Varsity Basketball Team vs. Faculty, the proceeds going to the scholarship fund. Under the capable leadership of advisor John Jarema and president William Connell, the Key Club is continuing its efforts to serve the school and community.

School Store

The School Store has been successful once again in supplying the student with many articles to stimulate school spirit on the playing fields and everywhere. Shakers, berets, banners, and pins were a vital part of C.H.S.'s victory march in all sports. Many other items bearing Chelmsford's rampant Lion have carried our name and fame abroad.

Sweatshirts, sleepsacks, juggleheads, bookcovers, and pencils are among the many eye-catching articles which have been attractively displayed and sold in their second floor specialty shop by the members of Mr. Elwood Bent's Retail Merchandising class. The School Store functions as a most challenging part of their class work.

We commend them for a task well done.

Science Club

The Science Club, under the leadership of Phil Ludwig and the direction of Mr. Donald McComb, enjoyed another enriching year. The purpose of the Science Club is to expose interested students to some of the many facets of the ever-expanding fields of science. Through experiments, demonstrations and films, the group was introduced to the worlds of physics and biology; worlds we study today, but research and teach tomorrow.

The main event of the club's activities is the annual Science Fair. Preparing an exhibit for the Fair challenges the student and gives him the opportunity to study and to experiment in an area which he has found particularly fascinating. The outcome of this research is extremely valuable in that it provides experience in collecting data and in developing scientific techniques—abilities which are vital to today's scientists. In addition to this, it gives to the student the personal satisfaction of the actual achievement of a goal.

Math Club

The C.H.S. Math Club introduces students with a mathematical bent to fields not normally covered in the high school curriculum and offers opportunity for further investigation of those fields in which its members find themselves particularly interested. Math Club meetings usually begin with a short film or the solution to a puzzle, and then feature either a student or a guest speaker. This year such topics as "The Use of the Abacus," "Probability," "Complex Numbers," and the "Three Problems of Antiquity" have been explained by the students. The club has been very proud of this year's guest speakers: Mr. Moynihan and Mr. Weddleton, who demonstrated the use of the Divisuma Calculator; Professor Fleming from Lowell Technological Institute, who lectured on Conic sections; and the renowned Miss Maria Trapp, who spoke to the group about her work with the Aborigines. In all respects, the 1966-1967 Math Club, under the direction of President James Meere and its most worthy advisor Miss Marjorie B. Scoboria, has had a very successful year.

Math League

Chelmsford has always prided itself on its athletic achievements. Our math team has made us proud of our scholastic successes. This year's squad, captained by "B" Bragdon, has placed first at many a meet. At their home game, the team piled on the points for a triumphant first finish. The coaching staff, consisting of Mrs. Marilyn Carey and Mr. Joseph Ford, have provided the inspiration, planning, and drive to make our math team "Number One."

President — Andrew Bragdon
Vice-President — Mary Storey
Secretary — Mary Lou Stavros

Photography Club

Now in its sixth year, the Photography Club, under the direction of Mr. M. Nickerson, is more popular and more successful than ever.

The activities of the club include not only the actual taking of pictures but also the developing of films, the printing of pictures, and the analyzing of mistakes in hopes of making the next photo "picture perfect."

Although the club has no officers, outstanding members are Don Vosberg, and Warren Miller often seen about school, camera in hand.

Other club members are:

Kay Hunt
Joan Horton
Carole Jackson
Arlene Kinton
Conrad Marvin
Paula Sawyer
Dick Scoggins

American Field Service

OFFICERS

President — Mary Maynard
Vice-President — Jill Titsworth
Secretary — Christy Risska
Treasurer — Janice Carragher
Hospitality Chmn. — Chris Raby

HanneLore, Hans, Sema, Gonzi, Helga—are names that have meant Germany, Denmark, Turkey, Argentina, Iceland, and worlds of excitement to everyone at Chelmsford High School. Through the auspices of the American Field Service, these friends have come to learn, to laugh, and to live with us.

What is the American Field Service? It is an organization sponsored by interested and active parents of the town and dedicated to international understanding through youth. The Chelmsford High School Chapter, under the guidance of Mr. Frederick Donovan, is more than a club; it is a student-centered organization. President Mary Maynard has worked to make the group one of the most interesting and stimulating in the school. Cathe Scannell, our ambassador to Brazil, has brought us closer to her AFS country as she shared with us her wonderful summer. Each member proves the interest of modern youth in the world of today.

We hope that, in the years to come, the goal of the American Field Service may be achieved by the world—that in all nations everywhere the joy of peace may be gained through the ability to

“WALK TOGETHER, TALK TOGETHER”

Chess Club

With new teachers come new interests and new ideas. This year Mr. James Piro organized the Chelmsford High School Chess Club. Chess is not new to C.H.S., but to have it carried on as a regular extra-curricular activity is an innovation. This first season has been more or less a period of experimentation for the group. Mr. Piro instituted a procedure in which a more practiced chess player was challenged by a beginning or less skillful partner. The neophyte learned from playing with his superior opponent; the experienced player improved through instruction and guiding the beginner.

With this method, the members have learned new techniques, and expanded their abilities. They are building up a nucleus of intellectual players who soon will be ready to seek outside competition. Good luck!

Girls Glee Club

The Girl's Glee Club, composed of senior, junior, sophomore, and freshmen singers, is one of the larger vocal organizations in Chelmsford High. Their work in the fundamentals of good singing is a means of developing an understanding of intonation, tone quality, vocal balance, vocal production, and musical literature. The girls, meeting daily under the directorship of Mr. Malcolm Bessom, perform compositions which vary in style and musical period.

Concert Choir

The Concert Choir brings together the voices of 47 ambitious, talented, and artistic people who have a genuine interest in choral music. Under the direction of Mr. Malcolm Bessom, the choir has performed on such occasions as the annual Winter Concert. This year's very beautiful performance included "Do You Hear What I Hear?", "Sleigh Ride," and "I Wonder As I Wander." Other selections which have been studied this year are: "I Believe," "Aura Lee," and "Consider Yourself" (from *Oliver*), and "Somewhere" (from *West Side Story*). The fruits of working together to master a large repertoire have been individual enrichment.

The Talent Show and the musical production *Brigadoon* drew most of their working personnel from the Concert Choir, and the enormous amount of work accomplished by these inspired people is reflected in the success of the productions.

The Concert Choir promises to maintain its reputation for excellence by virtue of the skill of its members and director.

Madrigals

The Madrigal Singers are now an experienced and vital component of the Music Department. Combined are the finest and most mature voices of the members of the Concert Choir. The musicians are those with the ability and desire to sing difficult selections of the 18th to the 20th centuries, both *a cappella* and with accompaniment. Directed by Mr. Malcolm Bessom, the Madrigals this year have sung: "Passing By," "Hodie," Nowells," "Sinner Man," "Brahm's Folk Songs," "The Impossible Dream," and many other pieces.

Seven of the voices in the Group were selected to participate in the All-Northeast District Concert, three of the seven were chosen for the Massachusetts All-State Concert, and Sharon Mace, soprano, was chosen for the All-Eastern States Concert. The Madrigals have taken part in the Christmas Concert, the Talent Show, and the musical *Brigadoon*.

The style, versatility and all-round excellence of the Madrigals is the essence of their reputation; any high school music performance is incomplete without them.

Band

The average band is only a group of musicians, but the Chelmsford High School Band is a spirited array of freshmen, sophomores, juniors and seniors bound together in perfect harmony by Mr. Martin D. Enis.

In September Mr. E. creates a marching band. The victorious notes of "Chelmsford High" and the familiar beat of "On Wisconsin" add to the excitement of football days. Cheering as well as playing, the band has a place of special significance during the fall season. With the coming of the holidays, the band creates a festive spirit at Chelmsford High. The annual Christmas Concert manifests the joy and beauty of the season. With the arrival of spring, comes a season of much activity for the band. The Spring Concert, this year featuring "Little Bop Riding Hood" and "Bugler's Holiday," adds a touch of culture to CHS. Once more on the march to Concord on Patriot's Day and to all of Chelmsford town on Memorial Day, the band represents true school spirit. As the year comes to an end, and for the seniors as a new life begins, the solemn strains of "Pomp and Circumstance" rise once more, seeming to say

"Good-bye, Chelmsford High,

Good-bye, Mr. E.,

Good-bye, Band."

German Chorus

Though only one year old, the German Chorus, directed by Mr. Donald McComb, has attained a state-wide fame. The group is composed of students of German, students of music, and students of neither, all of whom have fallen in love with the rustic style of singing music of the Old Country. Wearing vests of "Kelly" green, the chorus has traveled to the Peabody Centennial, the Boston University German Club, Rivier College, and Tivoli Festival. They have also sung for high school events such as the Christmas Concert. The music sung ranges from Tyrolean mountain tunes to Christmas carols to drinking songs. Soloists for the group are Sharon Mace, Sandra Adamezyk and John McAuliffe; accompanist is Cathe Scannell.

With growth of experience, repertoire, and enthusiasm the German Chorus will also grow in quality and expand its fame.

It's Academic

This year has provided a unique experience for Chelmsford High. After a preliminary contest, three team members and three alternates were chosen to appear on the television show "It's Academic." The team, consisting of Captain Bill Connell, Karen Nerpouni, and Andy Bragdon were cheered to a smashing victory by the loyal support of alternates Dick Scoggins, Dana Jobe, and Phil Ludwig. This victory was not an easy accomplishment. The six team members had spent many hours in preparation, studying topics from science and math to history and English. Mr. David McPhelim accompanied the team to Boston and acted as judge at the event. His excellent coaching resulted in an outstanding success. The team, by defeating Boston College High School and Westwood High School, advanced to the play-offs. By winning this first match, the team was able to present a set of encyclopedias to the school library. Chelmsford High has emerged victorious once more—another academic victory.

Cheerleaders

Chelmsford said, "Hello" in the nicest way possible this year—with the prettiest and best-practiced cheerleaders in the State. Under the leadership of co-captains Susan Bacon and Nancy Palmer and the guidance of Mrs. Nancy MacDougall, the girls sparkled throughout their outstanding season.

On cold fall afternoons their stimulating routines and exciting cheers aroused in the student body the warmest Chelmsford High spirit and gained for the football team the advantage of full-fledged supporters. During the winter season, as the basketball boys fought on to the Merrimac Valley Conference Championship, the girls divided into two squads, one headed by Sue; the other by Nancy. This double energy once again spurred Chelmsford High to victory.

Twirlers

The Chelmsford High School twirlers, under the able leadership of Captain Cheryl Dupee, and under the direction of Mrs. Nona Redding Bilonis, had a very successful and exciting year. As they marched down the football field with the band led by Drum Majorette Kathy Remick, common commands such as "Knees up," "Keep in line," and "Old A," were often repeated.

The twirlers also performed at the pep assemblies and represented C.H.S. in three parades.

With a willingness to learn new routines, the twirlers spent many afternoons practicing for their Saturday performance.

Happy memories of the victory circles, the Methuen game, and the parades in the 1966-1967 season will long remain in the hearts of the twirlers.

Field Hockey

The 1966 field hockey team, under the able co-captainship of Sue Quinn and Linda Marchand, repeated its performance last year by winning the Merrimac Valley Conference Championship. In league play, the team compiled a record of six wins, no losses, and one tie. Many hours of hard work, along with the constant cry of "variation," made possible the continuation of Chelmsford High's winning tradition. "Practice makes perfect" as taken from *"The Famous Book of Short Stories and quotations"* by Coach Nancy Edwardson, was proven many times throughout the 1966 season. Our many thanks are extended to Mrs. Edwardson for her time and patience in coaching this year's team. We would also like to congratulate Miss Mary-Ann Sullivan's Junior Varsity team, co-captained by Pam Pickle and Betty Marr, for a successful season. Best wishes are extended to co-captains elect Maureen Lynch and Maureen McCabe and next year's team for an equally successful season.

Hockey

Chelmsford's three-year-old Hockey team is fast becoming the top team in the league. The long, strenuous hours of practice and the undaunted spirit that is necessary for a team to work well together have enabled the Lions to finish fourth in league competition. This year, for the first time, Chelmsford's Skaters contended in the Play-offs, where they finished in third place. Under the capable guidance of Coach Peter Melchiono, the Lions have won seven games, lost eight, and tied two. In the Play-offs, the team lost to Burlington but won against Wilmington.

This year, the two members of the team have been chosen for the All-Star Hockey Team. Selected for the first team was Frank Marley and for the second, Jim Martines.

By graduation the team will lose Jim Martines, Bill Hulick, Frank Marley, Doug Dunsmore—high scorer for the season Mike Mattison, and Dave Willard. The returning members show much promise and should lead next year's team to victory to reign as the league champs.

Football Team

The 1966 edition of the Chelmsford High football team completed another successful season under the able direction of Coaches Thomas Eck, George Klesaris, David Kerry, and Trainer, Mr. Barre, compiling a highly respectable 6-2 record which earned them a second place tie in the Merrimack Valley Conference. Operating with one of their lightest teams in history, the scrappy Lions presented their loyal fans with their most thrilling season in many years, totaling up no less than four one-point victories.

Despite having their championship skein halted at three, the Maroon and White displayed championship desire as they matched muscles with teams that often outweighed them twenty or thirty pounds per man. The Lions began the season with a mighty roar as they topped North Andover (19-13) and Methuen (7-6) and followed up with a 36-0 whitewash of Tewksbury. After dropping a tough 14-8 decision to champion Andover, the Lions posted two more one-point victories over Wilmington (13-12) and arch-rival Dracut (7-6). Burlington handed Chelmsford its second setback by an 8-7 score, but the Lions concluded the season with a 34-0 shutout of rival Billerica on Thanksgiving Day.

Congratulations are extended to the entire team for another successful and thrilling season, and especially to those gridders playing their final game for the Maroon and White; Co-captains Dick Scoggins and Dave Belida, Jim Martines, Richard Townsend, Bevin Poplizio, Bob Masson, Ed Durdan, Bob Foster, Roger Neild, "Huey" Mann, Steve Saunders and the side-swinging footer from Argentina, Gonzalo Miranda.

Boys' Basketball Team

"Let's go, let's fight, let's win!" So we went, we fought, and we won; Chelmsford High's 1967 Varsity Basketball Team maintained its glory by winning the Merrimack Valley Conference crown. This was a tough season for the Lions. With new coach, Roger Cummings, they faced the task of rebuilding a new and strong system of team work. Captained by Pete Saulis, the only returnee from last year's champions, they proved themselves successful by taking first place in the Conference a 13-3 record and with Captain Saulis as Merrimack Valley League high scorer. This victory enabled the team to participate in the Tech Tourney. In the preliminaries, however, Holy Family, still smarting from their last defeat at the hands of the Lions, fought powerfully and finally overcame Chelmsford High. Thanks to Captain Saulis, and Seniors Scott Lawson, Steve Saunders, Bob Silk, and Ken Sykes, the team had a year to be proud of.

The most impressive contest of the season was versus Methuen in the last scheduled League game. The underdog Lions pulled out with an 80-64 win which confirmed their place as champions. The best of underclass help in this and in every game was given by Dick Bergeron, Phil Campbell, Bill Ingles, John Kelly and Paul McGrath. Best wishes are extended to them and next year's team in the hope that they will continue Chelmsford High's reign over Merrimack Valley.

The Junior Varsity Basketball team, co-captained by Fred George and Tom Penny, had a successful season. Their coach, Don Heylinger, is carefully conditioning a winning team. The winning Freshman team gained invaluable experience for their future in J.V. and Varsity play.

Girls' Basketball Team

The ladies upheld their position in the Chelmsford High athletic program by taking a third place victory among the neighboring basketball teams. The girls' varsity lost only two league games. Their Billerica contest proved to be the most exciting as both teams fought skillfully to the last minute of play when Billerica finally edged ahead in a one-point win. Co-captains Joanne Loiselle and Barbara Dixon became team high scorers with 107 and 93 respectively. They were strongly aided by rovers Janice Henry, Sue Quinn, and Diane Tabor, while forwards Sue Morin, Ann Nelson, and Sue O'Brien added points. Guards Cathy Pounder, Maureen Lynch, Maureen McCabe, and Bonnie Woodward represented a strong defense. Coach Nancy Edwardsen had the best of teams in the 1966-67 season.

The year was brought to a close by the Women's Faculty versus the Girl's Varsity. Although the girls quickly pulled out in front of the lady pros, the contest was fun for all and a happy way to end the season for the five departing seniors.

To the 1967-68 co-captains, Sue O'Brien and Bonnie Woodward, may we extend best wishes for another successful year.

Baseball

The 1966 Baseball team, under the direction of Coach Dave McPhelim and Captain Arnie Holtberg, were very successful. They not only captured the Merrimack Valley Conference Title, but they also received the honor of being state class B champs. Four of the nine players made the M.V.C. All Star team; they were Dick Caster, 1 B—.356; Dick Townsend, SS—.321; Arnie Holtberg, Catcher—.439; and Jim Norwood, Pitcher—.325. Arnie Holtberg also received the honor of being all scholastic catcher. Although nine Varsity players of last year graduated, the squad has the returning nucleus of a good team. These boys — Roger Neild, Dick Townsend, Bruce Wright, Paul Tremblay and Bevin Popolizio—Coach McPhelim will count on to develop another successful season. Eric Holtberg will return as an efficient manager.

Girls' Softball Team

The 1966 softball team remained undefeated for the seventh year. With this outstanding record behind them, they enrolled in the Merrimack Valley Conference and, with continued hard work, became Conference Champions in this first year of league play.

Although six starting seniors were lost—co-captain Joyce Fetro, co-captain Barb Loiselle, Deb Hordan, Barb Wolfe, and Cheryl Bonsignor—we have every reason to look forward to another successful softball season in 1967.

We want to sincerely thank Miss Mary Ann Sullivan for her patience and understanding throughout the season of 1966 and to wish her the best of luck in 1967.

Golf

The 1967 Chelmsford High School Golf Team has an excellent reputation to maintain, as the '66 Lions won the Merrimack Valley Golf League Trophy.

Returning from last year's team will be Bill Bruttanitti, Warren DeSaulnier, Mark Haire, and Greg Jordan. From among these boys one will be chosen the '67 captain.

The Team plays its home matches at Nabnasset Country Club against league opponents Lowell, Andover, Dracut, Wilmington, Austin Prep, and Lawrence Vocational. Other teams on the schedule include Keith Academy, Concord-Carlisle, and Nashua.

The top three golfers on the squad will be eligible to try to qualify for the State Individual Championship. The winner of the Merrimack Valley League will play in the State Team Championship. Hopefully, this year's team will earn that honor.

Again this year the Team will be coached by Mr. John McLaughlin, who will be assisted by Mr. Richard McCaffrey.

Cross Country

This year's Chelmsford High Cross Country Team, under the guidance of Coach Ed Quinn, ran away with the Merrimack Valley Conference Championship with a 12-0 record. The top five men were outstanding: Steve Ralowicz, Captain Jim Durkin, Phil Ralowicz, Joe Shanahan and Rich Thompson. The victories were the result of hard work and a desire to win. Next year's team is also favored to "Beat Andover."

Track

The Chelmsford High Indoor Track Team finished fourth in the competitive Tri-County League. Only Danvers, Catholic Memorial, and Franklin outran the Lions. The co-captains were Tom Hildreth and Rich Thompson.

Two new school records were established by speedster Jim Durkin in the mile and 1000-yard run. Other outstanding performances were turned in by newcomers Bob Hambarger and Jim Solka and veterans Dick Scoggins, Steve Ralowicz, and Kim Worth.

As for Spring Track, the C.H.S. team finished second last year. This season they have a good chance of winning the conference. The best of luck to Coach Ed Quinn and his team.

Wrestling Team

The Chelmsford High Grapplers deserve congratulations for their undefeated season, under the direction of first year Coach Gerry Schrock and the leadership of Captain Eddie Durden.

In posting an undefeated season, the team had to beat the following ten schools: Westford, Billerica, North Andover, Reading, Malden, Leominster, Lexington, Hamilton-Wenham, Winchester and Brookline.

In the Greater-Lowell Regional meet, Chelmsford had six wrestlers qualify for the state meet at Melrose. C.H.S. once again proved its athletic strength when Dennis Randall and Ed Durden placed 2nd and 4th respectively at this meet.

We wish to congratulate the junior varsity on their undefeated season. We look forward to their continued success next year.

Weightlifting

Thanks to the Weightlifting Club, athletes are given the opportunity to keep in shape for out-of-season sports simply for their own benefit. Under the direction of Coach David Kerry, the club worked hard to learn the techniques of body building and conditioning. They met continually to make the most of this carefully supervised program of exercises and weightlifting. This club is the basis of the major part of the extracurricular physical fitness programs of Chelmsford High. Its members build our winning teams.

Gymnastics Club

Last year's thrilling gymnastic show led to this year's Girls' Gymnastic Club. Under the guidance of Miss Mary Sullivan, the girls have individually developed routines which display their skills to the greatest extent. Led by co-captains Sue Bacon and Pat Skelton, they swing from parallel bars to unevens, from balance beam to rings. Together they have created vaulting and tumbling stunts that will surely surmount the "Great Expectations" Chelmsford High holds for its 1967 Gymnastic Team.

Kick and scratch and maim and bite. Come on Chelmsford—fight-fight-fight.

Hi ya, toots!

ODE

To cherish the importance of the present,
To profit from our efforts of the past,
To understand the promise of tomorrow:
This is our mandate task.

Today is the awareness of our challenge;
Tomorrow holds the answer to our quest;
Yesterday's the basis of our judgment,
In timeless thoughts possessed.

As we reflect on years gone by
And fruits of speculation passed,
We see our often tempered love
In transient joys. And ask

Is this not but the end of the beginning,
With morning's mist dissolving 'fore our eyes?
Is this not, more, the promise of fulfillment,
Wherein our future lies?
