Memories
 The eyes of love
 Have looked upon us
 And blessed us with their gaze;
 And the hands of love
 Have brought us near
 With laughing, sunny days,
 Although our smiles
 Have long since faded,
 And love has fled from view,
 The memory lingers
 And touches my mind
 With a beautiful picture of you.
 -Carla Fairchild

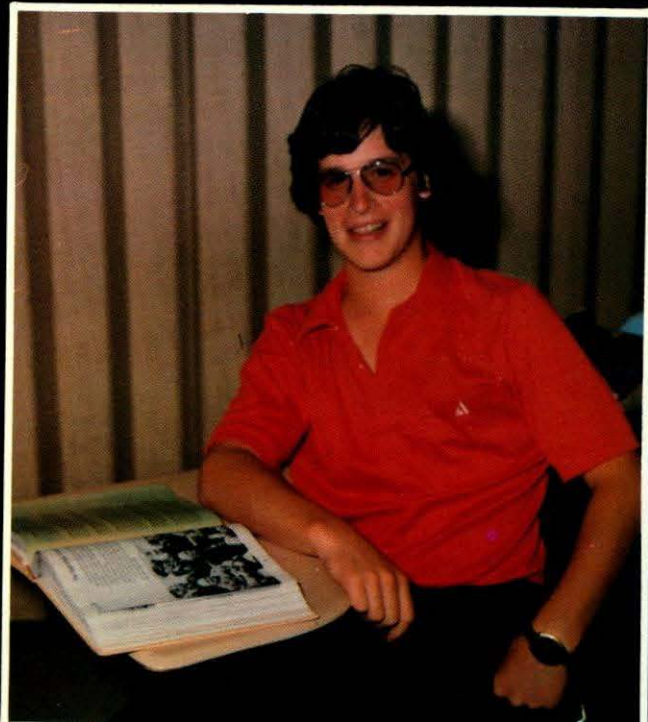

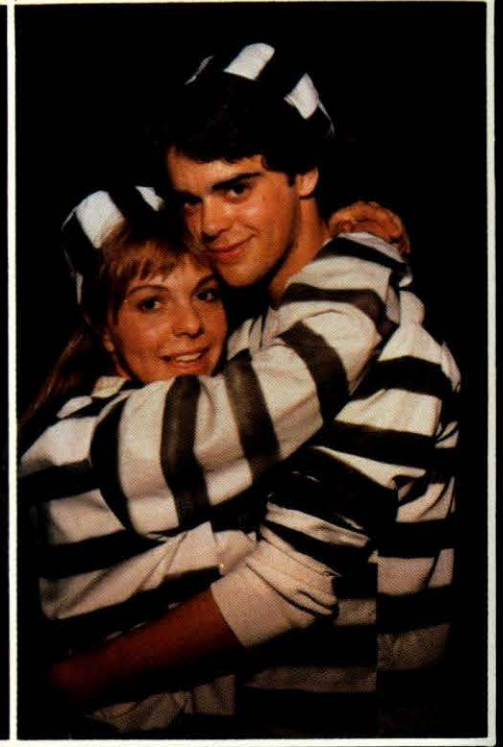

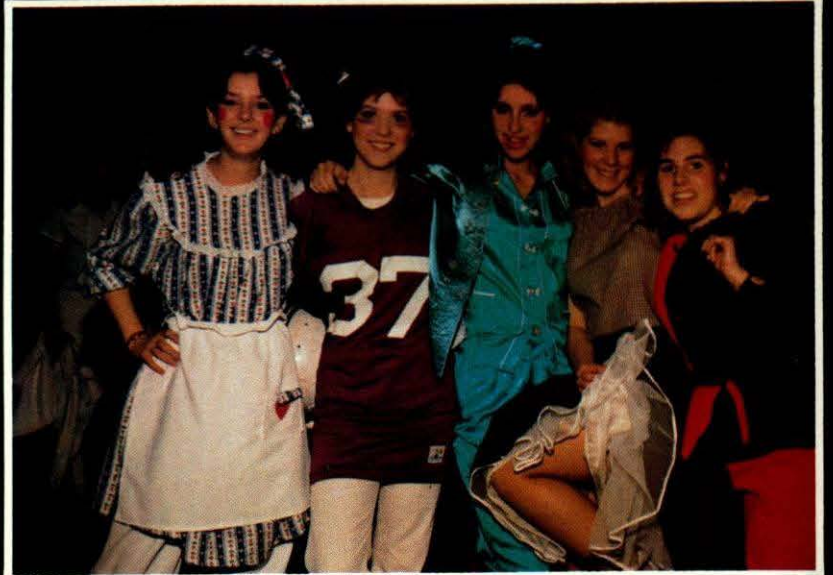

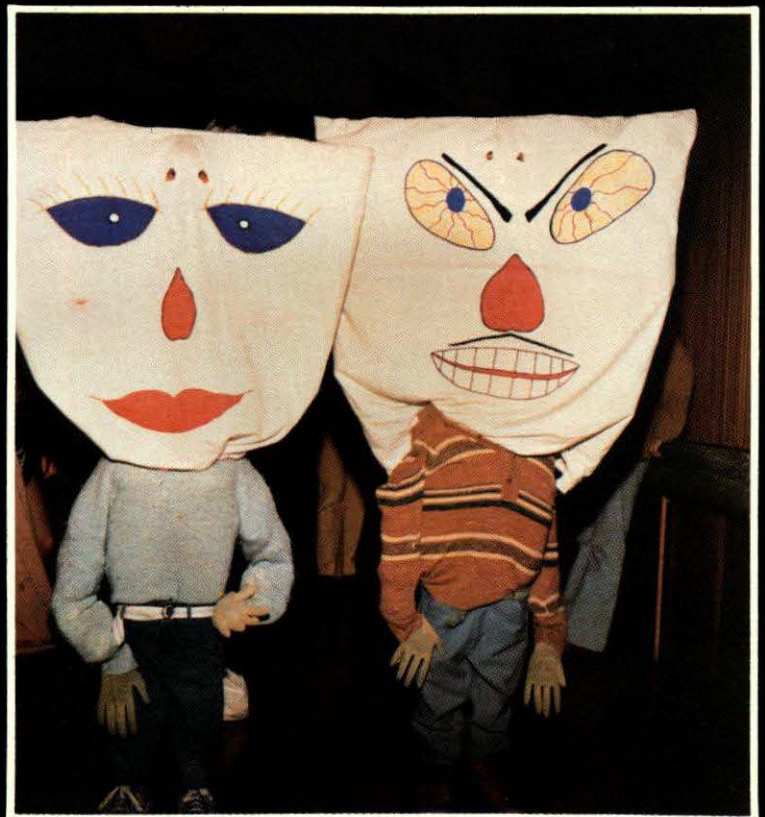

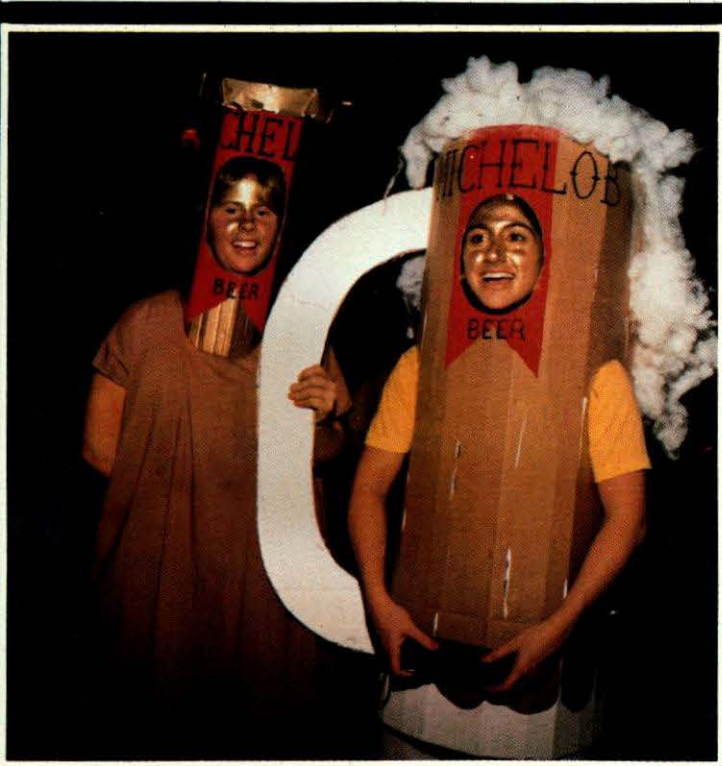

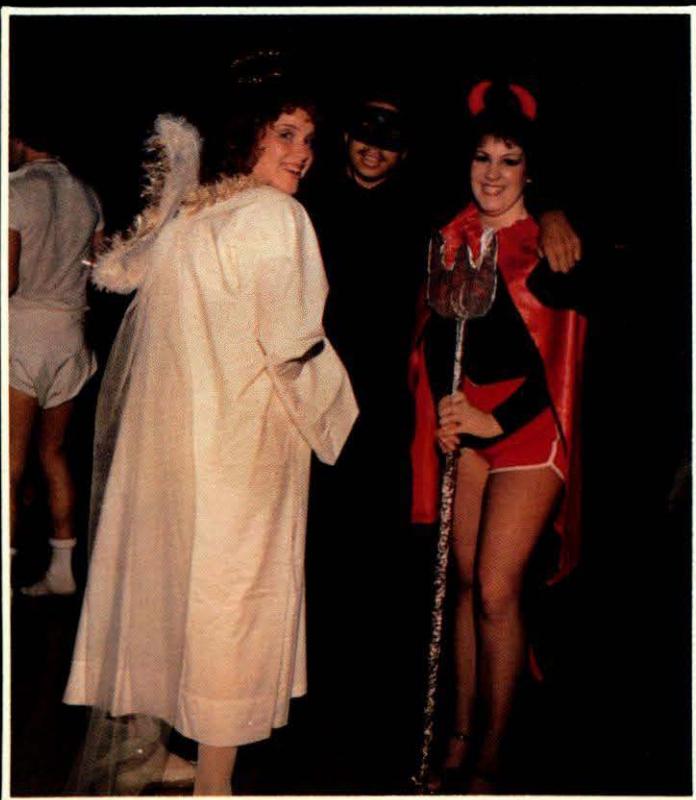

Today, well lived,
Makes every yesterday
a dream of happiness
And every tomorrow
a vision of hope.
-Sanskrit

Sunset

all the days i thought
could never end are gone.
all the days that
seemed so far away have passed.
all the loves i thought
would last forever
have died.
so many happy moments
are now happy memories.
But . . . i still have tomorrows
filled with the
hope of things to come,
and although i watch
the sun set now,
i know
it will rise again.

-Lynn Sieland

DEDICATION

Mr. John Morse & Ms. Michlyn Scarpitto

Ded-i-cate (ded-ih-kayt) v. (ded-i-cat-ed; ded-i-cating) 1. To consecrate; hallow; set apart. 2. To give wholly or earnestly up to. 3. To inscribe or address a work to a patron, friend, ect., as a compliment. — ded-i-cate adj.

For as many years as anyone can remember, the Chelmsford High School **Lion** has been dedicated to that one person whose contribution has meant the most to the graduating class.

The Class of 1982 must break this tradition by dedicating the 1982 **Lion** to two people: our class advisors, Miss Michlyn Scarpitto and Mr. John Morse.

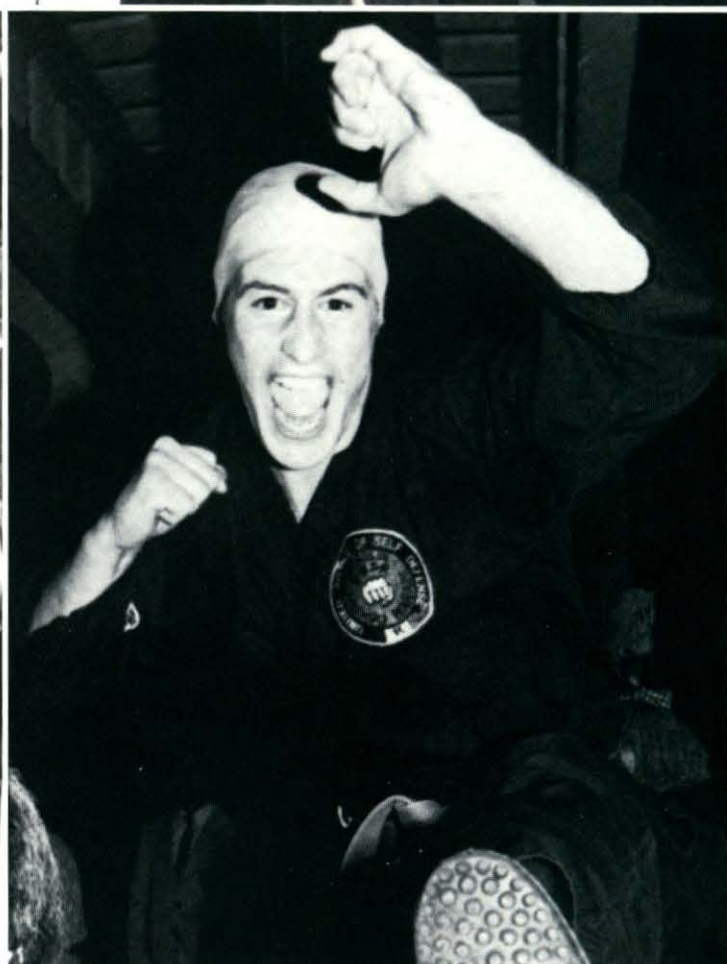

Miss Scarpitto has guided our class through three years at CHS, suffering with us as confused and disorganized sophomores, teaching us to work together as juniors, and enjoying with us our senior year as a class that has become one.

Mr. Morse joined our class informally during our junior year, bringing with him enthusiasm and fresh ideas. He became our senior class advisor, continuing the involvement he had established with part of our class at McCarthy Junior High.

Together, Miss Scarpitto and Mr. Morse helped plan many activities for a senior year we will all remember. Beginning with the very successful Halloween Dance and ending with the week we've all been waiting for — Senior Week with the luncheons, Prom, Banquet, and, last but not least, graduation!

On behalf of the Senior Class, the editors of the 1982 **Lion** wish to thank you, Miss Scarpitto and Mr. Morse, for your devotion and friendship. Good luck and best wishes for now and always!

The 1982 **Lion** is a chapter in our lives to which we will often return. The memories harvested within this book chart the progress of an incredible growth for us. We drew upon the vast resources of Chelmsford High to sharpen our minds and mold our futures. Now, the versatile education we have received enables each of us to travel a different path to the future. In our separate ways, we part with Chelmsford High and a memorable past.

But we must not let the memories of the past lie dormant upon these pages. Rather, return to **The Lion** and remember the friendships found and the good times shared. Let us remember, too, the ideals which our class and school represented; education, potential, and pride. We must look to these, the memories and the ideals, for the inspiration with which we strive to define the tomorrows of our lives.

And in the tomorrows of your lives, I wish each of you the best of luck and success. God bless.

Bloodmobile

On October 16, 1981, the class of 1982 held a very successful blood drive collecting 102 pints of blood, surpassing last year's total of 100 pints. Special appreciation should go to all those people who helped to make this year's bloodmobile a successful one. Congratulations!

All we are saying is give peace a chance.

Imagine

Imagine there's no heaven
It's easy if you try
No hell below us
Above us only sky
Imagine all the people
Living for today ...

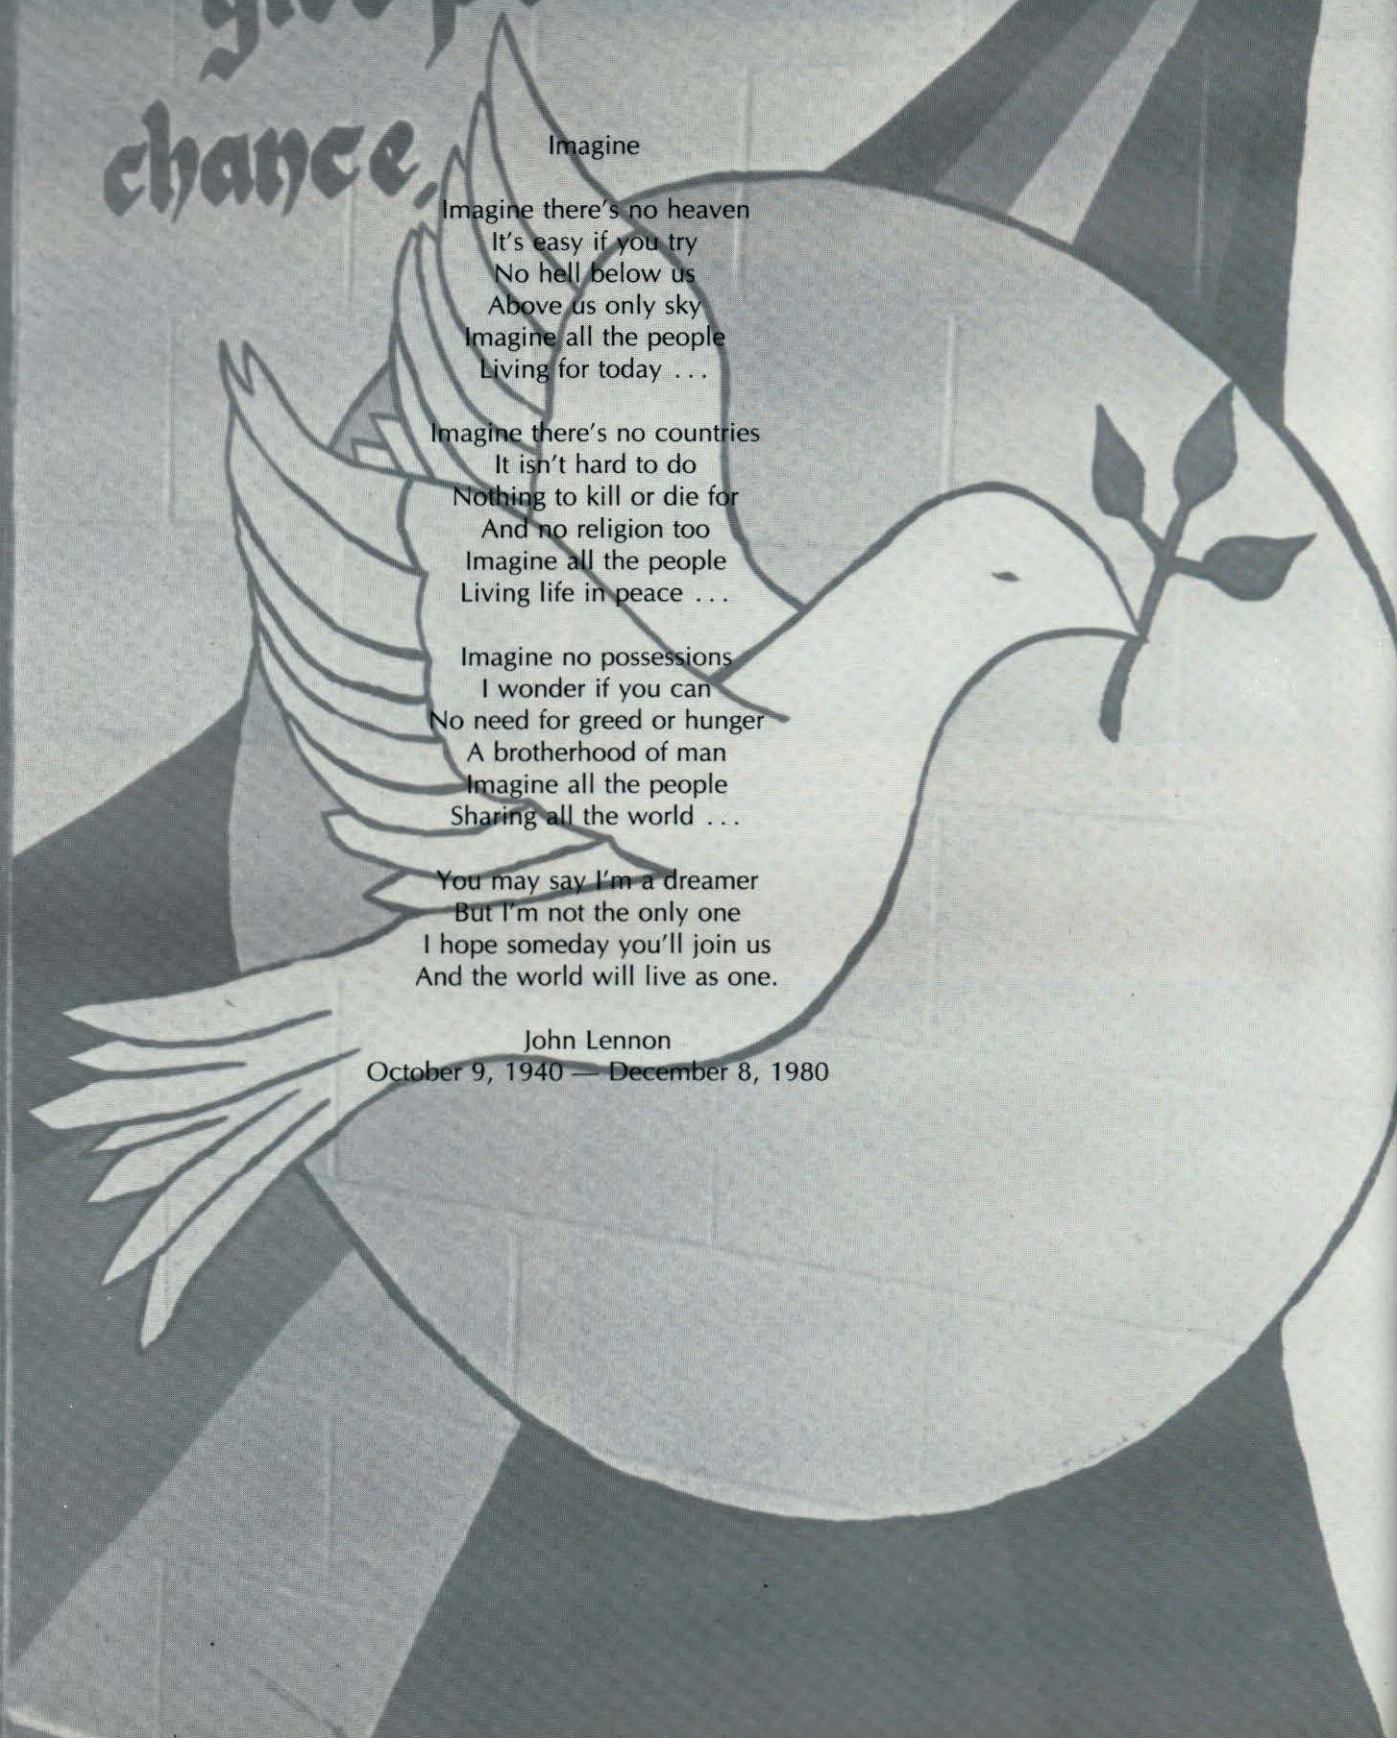

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion too
Imagine all the people
Living life in peace ...

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man
Imagine all the people
Sharing all the world ...

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will live as one.

John Lennon

October 9, 1940 — December 8, 1980

In Memory Of . . .

John Eric Stone

May 5, 1964 — September 14, 1981

John died of severe head injuries as a result of an auto accident he was involved in, in August. He was in a coma for 16 days, never to regain consciousness. He fought hard, but it was a losing battle.

John loved the outdoors and working on machinery. He loved skiing, motorcycling with his dirt bike, snowmobiling, and especially "4 wheeling" with his "Land Cruiser".

His "Land Cruiser", which he loved, remains unfinished, as was his life at 17.

John was a sensitive person, a good friend to those he cared about, and a free spirit. Who would ever know that he would not graduate with the rest of his class, and this picture would be **apart** from all the others? He had so many plans . . . never to be realized.

For his parents there is a terrible emptiness without him, he is sadly missed by his brothers and his little sister. I'm confident that there are others who miss him also.

I hope that many of his classmates still have good memories of John, and that they remain with them.

He is at peace now . . . and one day we will see him again.

Signed
Donna G. (Stone) Campbell
— John's mother

KEY Club

Advisor — Mrs. Walker, President — Mark Haddad, Vice-President — Nancy Wheeler, Secretary — Robin Fenn, Treasurer — Cindy Webb.

The Key Club is a Kiwanis sponsored international organization governed by an international president. Key Club is broken down into districts, each governed by a governor. Then each district is broken down into divisions. Chelmsford is a member of Division 17, in New England, with brother clubs Woburn and Dracut. We are a non-profit organization serving both school and community. Money is raised through fundraisers held throughout the year. For example; we serve the special needs students and have a prom for them, the school nurse's Santa Fund, Camp Paul, UNICEF, our annual scholarship, meals to needy families, and countless other events. In addition, New England District has chosen as its main charity this year the New England Trauma Center in Boston. Over \$12,000 is expected to be raised. We at the CHS Key Club are proud to be a part of such a distinguished, yet unique organization.

It was our objective this year to get as many people as possible involved in the club and to have everyone work as a team. This was to help kids realize that, as in an athletic team, each and every individual was most necessary to our efforts, and that the actors weren't the only stars. The newspaper allows diverse students to voice their thoughts and interests through writing. Photographers, artists, typists, other dedicated staff members are also allowed to express themselves through the production end of the paper. After publication, the administration, faculty, and students are given the opportunity to read the newspaper and voice their reactions. BROUGHT TO YOU BY ...

1982 **Lion** Editors

Lucy Simonian (Assistant Editor), Laura Burke (Activities Editor), Kathy O'Brien (Sports Editor), Patti Page (Copy Editor), Amy Levesque (Editor-in-Chief), Mrs. Donovan, Mr. Donovan (Business Advisors), Mr. Ramalho (Literary Advisor).
Missing: Darryll Clark (Business Editor).

I would like to take this opportunity to thank all the people who have helped make this yearbook possible. Many hours of preparation and many hours of frustration have developed into one of the best yearbooks Chelmsford High School has ever had.

Typists: Kim Petersen, Dwane DesMarais, Robyn Shanzer, Debbie DeMita, Kaari Valge, Kristen Stumpf, Chrissy Daly, Alicia McCarthy, Trisha Roddy, Carol Barboza, and all the others who helped type all the senior captions, class will, and activities.

Production Staff: Karen Beaudoin, Alicia McCarthy, Kirstin Verfuss, Kathy Cadden, and all the others who helped copy the final layouts for the entire book.

Business Staff: Lisa Taranto, Carol Barboza, Gary Leaverton, Mike DeChara, and the others who sacrificed free mods to help with the ordering of yearbooks.

Student Photographer Carol LaCanfora who helped me take the extra candid photos needed.

Special thanks goes to Jack Kelly of Burlington Studios and their photographers for taking the literally thousands of photographs needed to select the right ones for the yearbook and also for taking many of the senior portraits. I have enjoyed working with Mr. Kelly for the past two years and his cooperation is greatly appreciated.

I would like to thank our Literary Advisor Mr. Ramalho, though he joined us the second half of the year he helped make sure the work was getting done and on time.

This yearbook wouldn't have been possible if not for the hard work and devotion given to us by our Business Advisors; Mr. and Mrs. Donovan. They not only helped us with the business end of the yearbook but helped us reach our first major deadline and continued helping us throughout the year. Thanks to Mrs. Dunn for her continuing support and for the confidence she has had in us throughout the entire year. I'd also like to thank last year's Editor-in-Chief, Dave Smaldone, for his experienced help and advice.

Finally I would like to thank my fellow editors for all their hardwork and especially for their patience with me when the deadline date was arriving all too quickly. Their work has been invaluable, their efforts are clearly shown on each and every page of the **Lion**. I have enjoyed working with them and I hope they have had as much fun as I have.

The 1982 **Lion** is a yearbook for all students, but especially for the Class of 1982. This is your yearbook, I have tried to capture the spirit that is uniquely ours and all the events that have made our years at Chelmsford High School so memorable. I hope you will always look back at the **Lion** and remember the time that was ours and ours together.

Good luck and best wishes for now and for always! Godbless.
