

Welcome to the 2019 Chelmsford High School Yearbook

In this edition of The Lion, we celebrate the 102nd graduating class of Chelmsford High School. As we entered our freshman year in 2015, we were given blank canvasses to create our own stories over our four years here. The talent and spirit of community that this class possesses has made our job making the yearbook incredibly easy. This yearbook captures our triumphs, our talents, and the relationships we have made that will last a lifetime. Every word in this book has been chosen by our fellow students to show that this truly is All We Can Be.

We dedicate the 2019 Chelmsford High School Yearbook to:

Principal Stephen Murray

"He always strives to improve CHS as a community. He is the best principal I have ever had as a student."

"My favorite quality that Mr. Murray possesses is his dedication to everything in the school. His care for both classes and extra-curricular programs can be clearly seen. His hope shines through what may otherwise seem like a broken system."

"He has been a vital part in creating the environment at CHS that we experienced in our four years at the school."

"He rides a really cool razor scooter and he cares about our class, what's better than that?"

"He makes the best out of a bad situation and he is a good role model for those who need one."

"He is hardworking and creates a welcoming learning environment. Plus he has a wide variety of Hi-C flavors."

"Best. Principal. EVAH!" - Ms. Rick, Mr. Murray's Secretary

Mr. Murray has guided us all towards a brighter future and encouraged each and every one of us to strive to reach our full potentials. No idea is too big and no dream too ambitious in his eyes. Our principal's support and care for us students is invaluable. Thank you endlessly Mr. Murray!"

"The class of 2019 is so honored to be the first class to have Mr. Murray as a principal for all four years. Mr. Murray has been a smiling face and a friend to all in the hallways. From giving me an orange juice box when I'm down, to scootering through the hallways, he is truly the most positive and spirited member of our CHS community."

Thank you Mr. Murray for all the Hi-Cs and laughs. You have been amazing principal and we will miss you next year!"

Dear Mr. Murray,

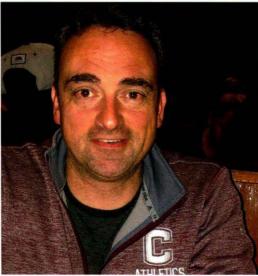

Thank you so much for all your dedication over the course of our four years together. It is an honor and a privilege to be your first four year graduating class. We haven't always been easy, but your passion for bettering each and every one of us has not gone unnoticed. We are eternally grateful for everything you've done for us. You are present at every induction, performance, game, dance, and fundraiser with a supportive attitude. As freshmen, we were lost and off track. With your guidance and positive influence, we are smarter, kinder, and better than when we began. As we go into our futures, we will take the lessons we've learned from you: support one another unconditionally, not take things too seriously, find the bright side of things, and to always have fun. Most principals are caught up in administrative duties and aren't close with their students, but you have gone above and beyond to be not only a role model, but a friendly face for all. Our appreciation for you is immeasurable, but we hope that this shows some of our gratitude.

Thank you for everything, especially the Hi-Cs!

Love,

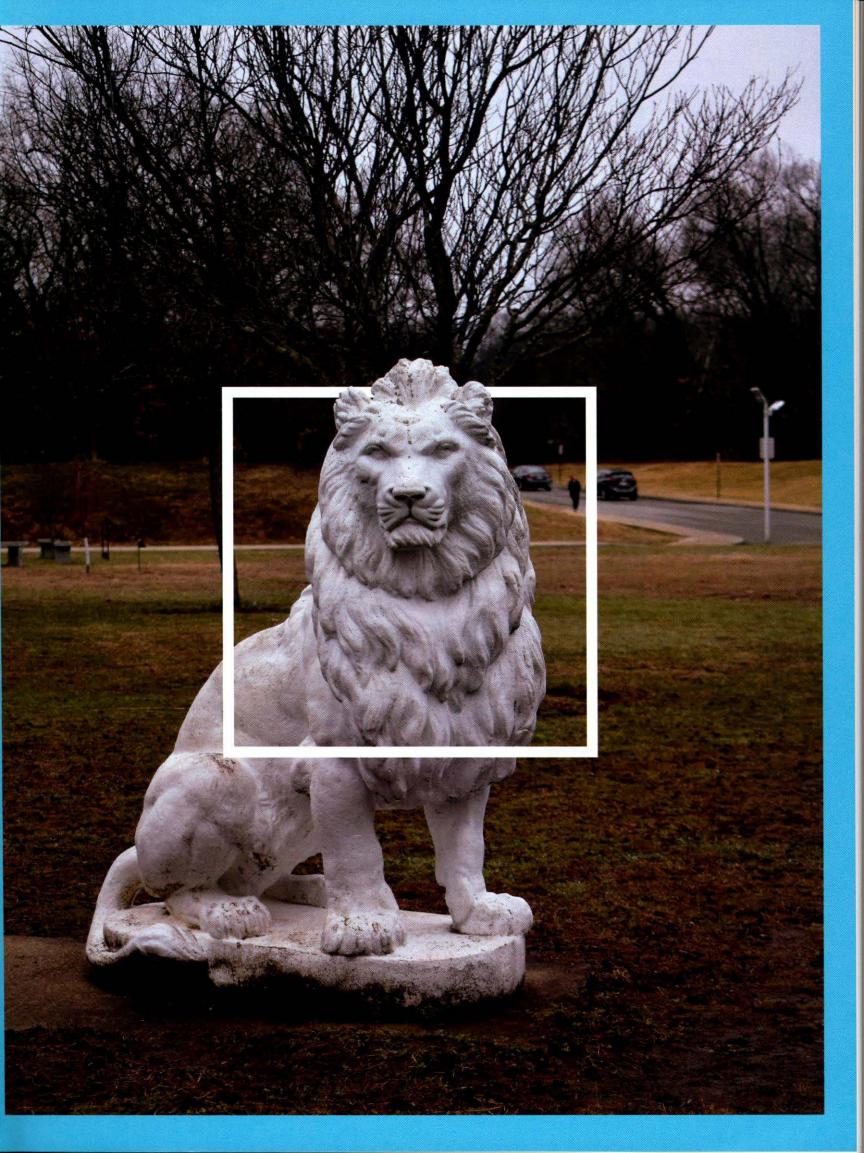

The Class of 2019

A MESSAGE FROM YOUR

2019 CLASS OFFICERS

VICE PRESIDENT

All I want to say is that I'm honored to have been a part of this class because of each and every one of you. You have day in and day out shown me what it means to be apart of a community and better yet, a family. I can't say when I'll see you next, whether it's the first day of the summer or five years down the line at our reunion, but I look forward to each chance I get to spend time with the people who have made this place my home. You are all going to do amazing things in your lives from here on out and I am honored to have known each and every one of you before you go off to shape your futures.

WILLIAM MARCOTTE

SECRETARY

INGRID HAYWOOD

Class of 2019,

We finally did it! We had our Halloween Dance, we won pep rally, we had our prom, and finally, our graduation. We have come a long way waiting for all of this. It has been incredible to go through these four years at CHS with you all. We truly have come together as a class and overcome any obstacle that was put in our way. I hope when you all look back at your years here, you remember the the friendships you made and all the memories you built that will last forever. I am so grateful to have been able to be a part of such an amazing group and I thank you for all of the support along the way.

Look forward to the future and be grateful for the past, Ingrid

TREASHRED

What's up CHS,

I really don't know what to say. We've come so far as a class and seeing everyone mature, become friends, and forge memories together has made my time at the high school so special. When I walk down the halls I feel honored to be among the presence of future leaders, athletes, doctors, and innovators. Thank you all for an amazing four years, and I look forward to our reunion. Peace out,

Evan

Girls,

These past two seasons have been tough, but we got through them! I'm so proud of this team. We were faced with so many struggles and hardships, lots of laughing, definitely some crying, tons of ups and downs, but overall, we had so much fun. The seasons didn't go exactly how everyone expected to, but it was a great year for building, learning, and getting stronger for next year. I'm so proud of everything we did end up accomplishing. We worked hard to finish the winter season confidently with hard work that I saw from every single one of you girls. I love all of you and everything you guys have given me this year, you have made my senior year complete! I can't wait to come back and see what you girls can continue on to do in the future because it will undoubtedly be amazing!!

Love, Mai (Mom)

Dear CHS Football,

Chelmsford football has been a part of all of our lives since long before freshman year, and this season began way before training camp in August. We are so thankful to have been given the opportunity to play for and lead this team through all of the ups and downs. Even though we had a tough season, we are proud of the way you fought through adversity and never gave up. We are all grateful for everything Chelmsford football has done for us and wish nothing but the best for all of the guys next season. We are glad to have been given the opportunity to represent Chelmsford High every Friday night.

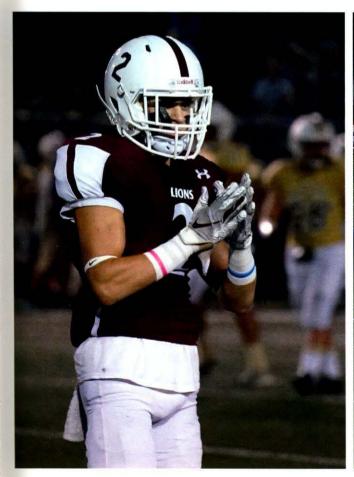

From your captains, Kyle, Timmy, Peter, Kevin, and Mike

Hey girls!

Can't believe the sister season is already over! It's been one heck of a run, but we wouldn't want it any other way. From those humid Great Brook runs and some misdirections and tumbles in the summer to those chilly, rainy, and muddy routes in the fall, we've seen it all. We had our fun at FOSS; we did Beyoncé justice. Shout out to our honorary members Amy and Angela <3. We had a crazy slover (rip Hannah's cars) and some wild pdins (rip Zesty's door). Through endless field loops and hills, we suffered together and triumphed together. There's nothing that builds a stronger bond than struggling together on runs. We love all you girls and it has been an honor to be your captains! We're gonna miss you guys SO much plz visit.

To the boys,

This was a great season. We started with the summer running in blistering heat and continued all the way through MVCs in a Nor'Easter and States in strong winds. We never stopped working hard at any point, running workouts around the field and long runs all over the surrounding area, all so that we could improve as a team. It all paid off with a successful season and an 8-2 record. We lost some great talent last year but many people stepped up and made the team great. Special shout out to the Sophomore team at Manhattan winning first place. The team is young and we are excited to see what you do in the coming years.

Summer and States sleepovers, BOF, MVC party and more, We made sure this season was never a bore. Shoutout to all the parents who fed 30 girls twice a week, Without you, we'd be hungry and this season would've been bleak. Despite the hard practices that make us all tired and upset, We all know who are the best, Kate, Heder, and Ms. Kinnett. Our 8 seniors are moving on but are lifelong friends from this team, Let's hear it for the craziest and most amazing class; the class of 2019. Thank you for coming to every practice after school and working hard Thank you for coming to hell week and counting every yard. This season was truly one to remember for us seniors, who went from going 2-16 our sophomore year, to making the tournament for the first time since 2014. During the summer, we knew this team was going to be something special from the amount of talent and hard work that you girls showed. We had amazing achievements as a team and as individuals. We pushed through the hard double sessions and tough rainy practices to get where we are today. We are so impressed with the way everyone has grown into such a close team, and how supportive and encouraging everyone was towards each other. We couldn't have asked for a better group of girls to spend everyday with for the last two months. We are so proud to have been able to be your captains this season and we love you all!

Players, players, players,

There's only one word that can describe this season: epic. Playing with you guys was a pleasure. We all were a family right from the beginning—it didn't matter if we've played together for 10 years or none. We've accomplished so much this fall, beating North Andover for the first time in recent years, coming back from 2 goals against Lowell, and finishing the season 13-4-3. Whether it was listening to Coach Martinez's tactical meetings in the team room, working on set pieces and headers, or running like stink after the ball in games, we've transformed this program into an MVC powerhouse that future generations of CHS soccer players will admire. But most importantly, we've created a brotherhood amongst ourselves that, as Coach Martinez said, will last long after the results of games have faded from our memories. We love you boys for life.

Your Captains, Josh, Jake, and Evan

Volleyball

Hey girls,

-Katelyn and Grace

Over this past season, we have progressed so much. We can all agree that this season was one for the books. We had so many inside jokes and memories that we shared together which brought our team closer. Doubling our wins from last year and beating Billerica was definitely a highlight, and it gave us a boost into our later games. We gained confidence in ourselves. Captains and Coaches saw the team chemistry and ability change as we grew throughout the season. Next year is going to be so much fun except we'll be missing our seniors. We wish our seniors the best in college and we will miss them next season. It was amazing be to be part of this team. Coach believes in all of you and so do we; we hope to see all of you again next year. If not, always remember, once you are part of the volleyball family, you are stuck with us. Gentlemen,

It has been an absolute pleasure to be your captains for this unforgettable season. From early morning tryouts, after practice team dinners, and countless range sessions, it has truly been a blast! We struggled in the beginning of the year but we battled back as a team and we were able to win some key matches late in the season. The team set a goal to move on in the season to sectionals, which we accomplished. We wouldn't want to spend our last season with any other group of kids. Keep slappin patties and screaming Jarred Huggins! From the bottom of our hearts, thank you guys for an incredible season!

The chsfh team is such a special thing to get to be a part of. There is no other group of people we would want to spend hours with everyday, whether it be 95° or 35°. We can't imagine the last four years without the lessons, and experiences this team gave us, but more importantly without the friendships we have made through this program. We will carry these memories through our entire lives. We'll never forget our 99 dinners, and singing on the bus ride home. Every single girl on this team made it special, and we wouldn't trade it for anything. Thank you for making our last year as lions one to remember. We are so proud of everything the team has accomplished, and you can definitely count on us to be washed up, coming back for every game next season. We can't wait to watch all of the amazing things you will accomplish. It's been an honor to be your captains; make it happen and continue to cherish every moment while you have it! Enjoy it!!

We will never forget beating Tewksbury and the teamwork we used during the whole game. That was one for the books. Another huge win was against North Andover AT North Andover, which happened for the first time in awhile. Rugby

Being a part of the first ever rugby team at CHS is a huge accomplishment. We've all put hours of work into a sport we didn't even know existed last year. As captains of this team, we've learned not only to push ourselves, but to push others too. A great lesson that we have learned was that no matter what role you play, be the best person to ever play that role. In our first game, one teammate that didn't play a minute of the game still cheered us on and went to school the next day with a huge smile on his face. He said his favorite part is that everyone on the team treats him like a teammate, and more importantly, like a person. This made us realize that this team really does have something special.

BE THANKFUL

A Letter from the President

Dear Class of 2019,

There are so many things that I want to say to you. Ultimately, let me say thank you. Thank you for the laughs, the memories, and for growing up with me. Over these past 12 years, we have become an amazingly unique and talented group of young adults with immense potential for a bright and fruitful future.

Whether you have flourished in athletics, up on stage, in the classroom, and beyond, we all have our strengths. I feel so fortunate to have witnessed and enjoyed so many of you discovering your abilities, passions and purpose. Some of you may say that high school has been your best chapter yet, while others tend not to agree. Either way, we all must admit that these last four years have had a significant effect on our lives.

Collectively, we are Chelmsford's one and only Class of 2019, a rag-tag, exuberant group of astounding people who share a special bond. Each of you has certainly affected me, in ways big and small, so I hope to have reciprocated some positive impact onto your lives as well.

As sad as I am to face the reality of leaving the halls of CHS and saying goodbye to you all, I am beyond excited to see what accomplishments lie ahead. I know that you each have the capability to succeed in whatever you choose to pursue, so please, just go for it! I look forward to rekindling with fellow graduates, and reminiscing about this special time. I consider you all great friends and it has been a pleasure and honor spending my childhood with you.

Good luck, Chelmsford High School, Class of 2019. Make us all proud to be a part of this family!

Yours truly, Matthew Doherty

A Letter from the Editors

Dear Class of 2019,

It has truly been a privilege to create this yearbook for you all. Over the course of the year, our work has been fun, exhausting, infuriating, and demanding, but most of all rewarding. We chose to do the theme of "All We Can Be" because we have seen how much this class has accomplished over the past four years. You should all be proud of the people you've grown to be. Our different interests have not kept us from all living up to this idea: this class has succeeded in classrooms, on stage, on the court or field, and in every other aspect we tried to.

As you page through this yearbook, whether during senior week, during a grad party, or 30 years in the future, we hope that it will bring back the best memories of your high school experience. That is what we strove to do while creating this book: capture the feelings and great memories that this class has made over the course of our four years at CHS, and specifically during our senior year.

While we are aware that there surely will be mistakes in a book of this size, we hope you will look at these with sympathy, and remember that our staff is only human. There are not that many of us, trying to create a book that encompasses all of the experiences and memories of an entire year.

Thank you for allowing us to witness and record all the great things that everyone has brought to this class. We are so proud of everything that we have done together, and we hope that this book encapsulates "All We Can Be".

Good luck on all of your future endeavors, we know you will all find great success in whatever you choose to do.

Yours truly, Clare Rigney and Kate Petka

Letter from the Class Advisors:

To the Class of 2019,

You did it! You have officially completed your high school career and time here at CHS. As a class, you have made friends, played on competitive sports teams, put together unimaginable theatrical performances, created pieces of art, and maybe even surprised yourself by learning a little bit more about who you are and what you are passionate about.

The best part about this journey at CHS is that each of you have created millions of memories and formed lasting relationships throughout your four years here at CHS, but this is just the start of the journey you have ahead of you.

We can honestly say that we have felt honored to work with each of you in the past four years as you continue to change and grow as people. Being a part of spirit weeks, dances, and fundraising for your class has been one of the highlights of our time here at CHS. It is because of each of you that we have purpose and meaning within these walls. Thank you for allowing us to be a part of your journey and for making our time here with each of you more meaningful.

We wish each and every one of you success and happiness in the future. The best is yet to be,

Ms. Swanson and Mrs. Smith

Interview with Principal Murray

What has been your favorite memory from your first four years here?

I don't have a specific memory, but my favorite part has been watching the amount of community service that this class has given. Our students and clubs have organized a great deal of opportunities to better the community, and it is truly impressive to see how much we can all give. I've not seen that before. We give so much back to the community, and that has been my favorite thing to witness over the past four years.

Q: How would you describe the Class of 2019?

I think the best part of 2019 is how diverse they are. Everyone is diverse in their interests and their friendships, which is a really special thing because we need different ideas and different experiences from all our students. The Class of 2019 is most definitely a social group, but everyone is able to come together. I don't see a lot cliques; I see a lot of groups melding within each other. You guys work together to bring so much positivity to CHS.

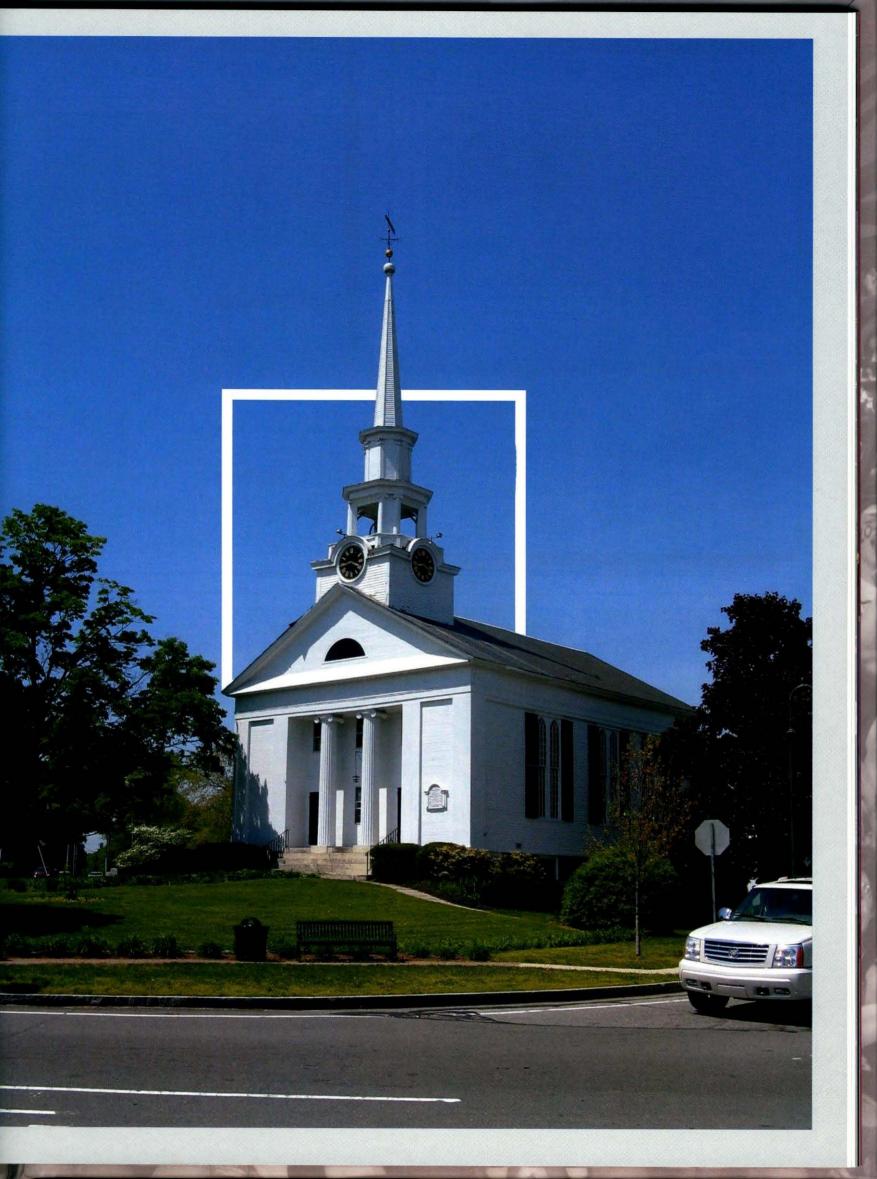

Q: What will you miss most about the Class of 2019?

I'm going to miss how involved everyone is. Between clubs, sports, and events, 2019 has shown a prominent prescence in our student life. At games, the Tundra brought so much spirit and enthusiasm. Every hockey game the student section was mobbed, and every football game as well. A lot of other principals have told me they are constantly working to bring up school spirit and get people more involved, and I've never had that problem with the Class of 2019. I hope that that continues on for other classes in CHS, and I will miss that so much.

What advice do you have for the Class of 2019 as they continue in life?

I would say two things: continue being who you are, and always be a resource to others, because this class has a lot to offer. Be true to yourself, and carry that tradition of taking care of others forward.

WORLD BEAT

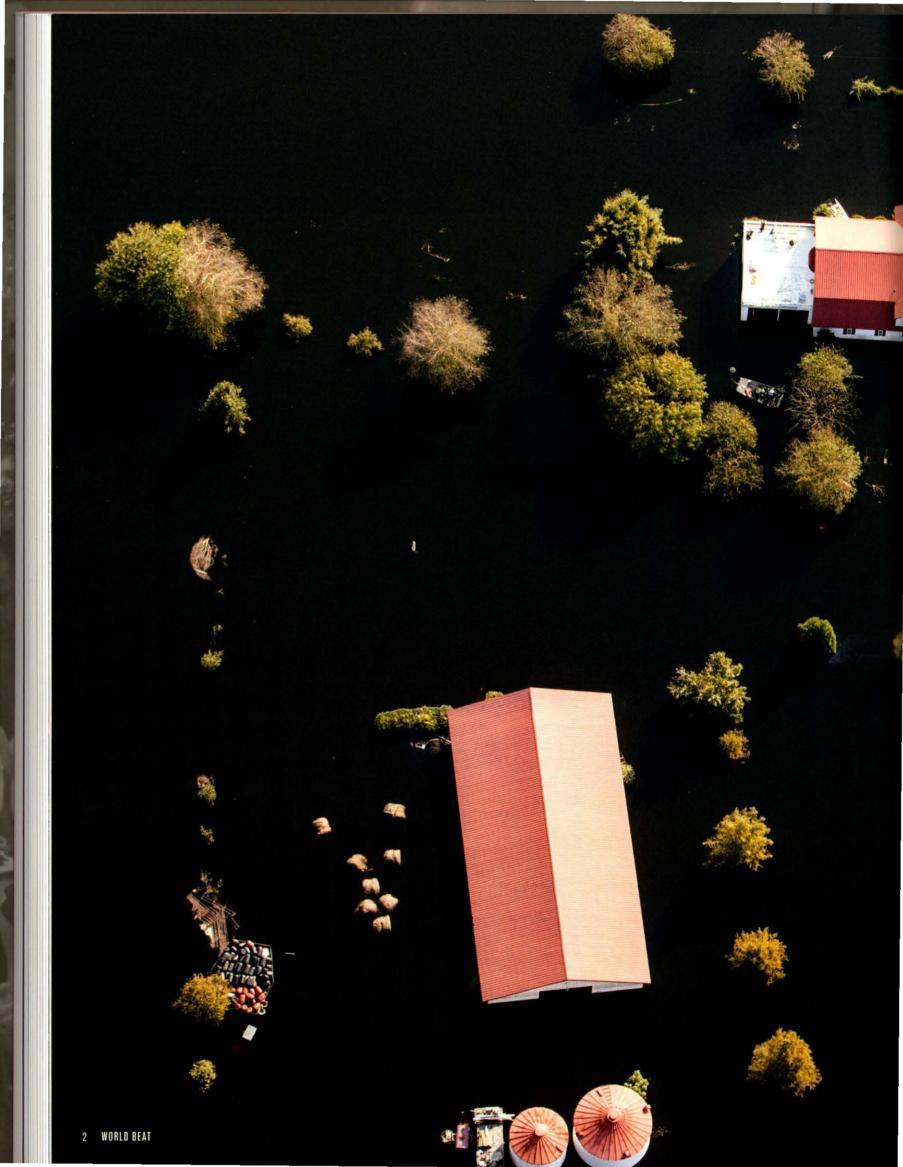

THIS YEAR'S TOP HEADLINES IN SPORTS, TECHNOLOGY, MUSIC, MOVIES AND POP TRENDS

WEATHER TO REMEMBER

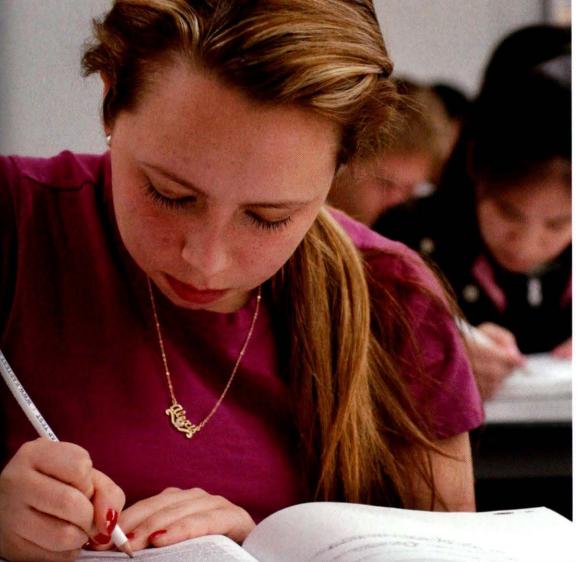

пининини

This year's weather was nothing short of extreme as major earthquakes and Kilauea volcano eruptions shake Hawaii, colossal hurricanes Florence and Michael hit the Southeastern coast and massive wildfires span over 1.9 million acres in the West.

ROYAL MILESTONES

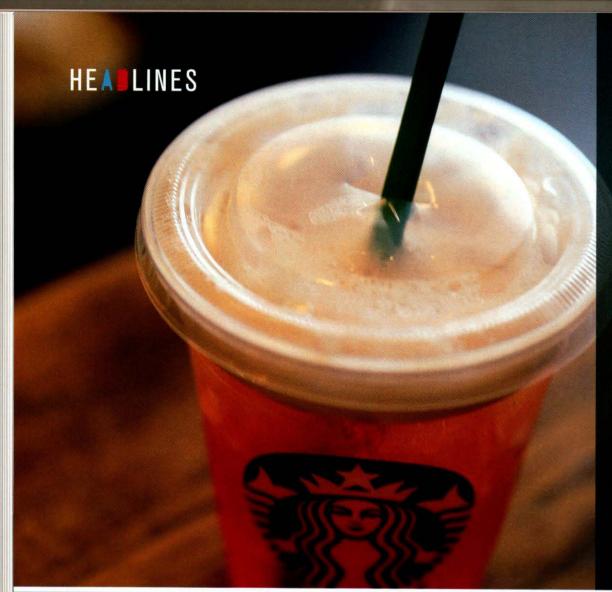

SOCIAL CLIMBER

A small female raccoon, nicknamed the "MPR Raccoon" by the first news outlet to report on the story (Minnesota Public Radio), scales all 25 stories of the UBS Plaza building in downtown St. Paul, MN. The #mprraccoon becomes an instant internet celebrity with photos from viewers tracking the raccoon's journey posted all over social media. The daredevil raccoon is safely captured and released.

END OF ESSAYS

All 8 U.S. Ivy League colleges and universities drop their ACT/SAT essay requirements in an effort to break down barriers in the application process for low-income students. There are now just 21 schools that still require the essay portion of the ACT or SAT.

SAY GOODBYE TO PLASTIC STRAWS

Starbucks, the largest coffee chain in the world, will eliminate plastic straws globally by 2020. Straws will be replaced by recyclable strawless lids and alternative-material straw options, eliminating over 1 billion plastic straws per year from Starbucks stores alone.

SHOWCASED ART SHRED

инининини

England-based artist Banksy's painting titled *Girl with Balloon* shreds itself after \$1.4 million sale at the Sotheby art gallery auction in London on October 13th, 2018. A shredding mechanism housed inside the artwork frame activates after the sale, stunning onlookers.

The highest bidder still proceeds with the purchase of the artwork, now titled Love is in the Bin.

† BYE-BYE BEETLE

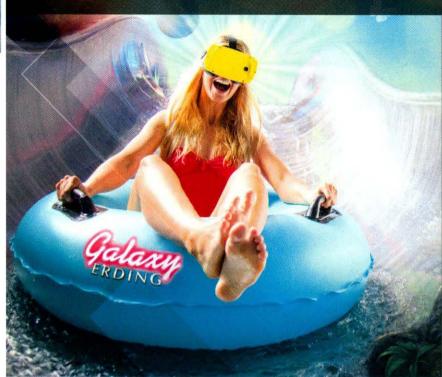

Volkswagen will stop global production of their iconic Beetle car in July 2019. "The Bug," with its instantly recognizable body shape, is a symbol of the 1960s counterculture movement and is featured in numerous movies and artworks worldwide.

↓ LATEST LAUNCH

NASA names 9 astronauts who will fly the first crewed launch to the International Space Station from U.S. soil since the shuttle program ended in 2011. Astronauts will be aboard Boeing's CST-100 Starliner and SpaceX's Crew Dragon for test flights at the end of 2018 to early spring of 2019, with missions beginning in summer 2019.

A WHOLE NEW WATER WORLD

The world's first virtual reality water slide, The Space Glider, opens at Galaxy Erding water park in South Germany. The 35-second, 520-foot water ride has each rider wear a water-friendly headset to experience virtual roller coaster rides in environments such as space, sky or snow.
