THE NEW YEAR BRINGS FORWARD UPDATES TO THE CHSAA!

In our ever-changing world, our organization tries its best to catch up to the demands of communication with an alumni population that spans at least over seventy years.

Let me put this in perspective. Some of our members are from the class of 1935, the year the first telephone call around the world was made. Here in the year 2008, our graduates are able to communicate via the technology in the palm of their hand to anywhere in the globe within seconds. They can send documents, music, messages, and yes, use the old-fashioned form of communication – talking! Just a few days ago I sent a text message via cell phone to my former host sister and CHS student, Irina Nosova, in Moscow, Russia. Within a minute I had her reply. Staying in touch these days with those far away is becoming easier than ever before.

We hope that The Lion's Pride will still be one of your main sources for uniting you with your classmates. Consider the magazine as your treat three times a year with photos, news, and articles from all classes. In the interim, we've begun to move into the world of the internet to connect and reach out to all Chelmsford High School alumni. Visit our website, [www.chsalumni.org](http://www.chsalumni.org) to keep up to date on the latest happenings. This is our official website, maintained by Rob Russo ('83). Don't accept any substitutes – this is the only website maintained by our organization, and the only one that carries our approved information. Rob does an amazing job with the site, and his efforts should be applauded. As we move forward throughout the year, reunion information will be added. In addition, links to other

## PRESIDENT'S MESSAGE

*Terry McSheehy*

Happy St. Patrick's Day! You will have to put up with me for another year as it seems no one wants to take on such a strong candidate when the elections come around!

I hope everyone has survived the winter so far. It is early January as I write this and the way that December started I thought that by now we would be under twelve feet of snow! However things slowed down and it has been a mild and comfortable last few days. It has been a great holiday season.

The CHSAA continues to receive support and energy from the membership in all ways and forms. We have had new people come forward to serve on the Board of Directors; we have had people continue to offer their services for free. Remember, as I say very often, this is your alumni association and you can participate in it in many ways. Do not think that you would not be capable of working on a committee or on the board of directors or even as president! We are all just CHS graduates trying to do our best to help all CHS graduates. Call George Simonian or me and tell us you would like to help in some way and believe me - we can

and will find a way for you to help. The more people we get involved the more we reduce the burdens we place on a few.

We are approaching our 18th Hall of Fame inductions on March 8th at the Doubletree Hotel in Lowell. Again we have nine outstanding candidates going in. I continue to be amazed at the accomplishments of Chelmsford High graduates. The most amazing thing to me still is the all-inclusive policy of how we select individuals for induction into the Hall of Fame. We do not limit the criteria to such things as how many yards someone gained or how many home runs someone hit or even how academically amazing they were in high school. That is important, as this is a high school hall of fame, but we endeavor to recognize individuals who may have blossomed after their high school experience. We attempt to recognize the accomplishments of their life in general, including service to their fellow man, community, church, career, or the world as a whole. It is important that the entire person be evaluated and not just the high school student or college student or adult. We attempt to reward people based on the total

class sites will be added as well. One can also find membership renewal and sign up information. Do you have a friend who would like to join? They can now download / print off a membership form right off of the website. We are also looking into the possibility of payments via online to make everyone's life a lot easier. Imagine not having to write a check and not having to use a stamp. The CHSAA will be just a click away!

And, for those who love chatting online and visiting, we have moved onto Facebook! The Chelmsford High School Alumni Association now has its own Facebook group. This is a closed group, and membership is only available via approval. Facebook, for those who are new to the site, was originally established in 2004 by a former Harvard student as a means for keeping Harvard graduates connected. The idea spread fast, growing to include the other Ivy League schools, then other colleges, high schools, and eventually opening up to everyone on the Internet. Our purpose for creating the CHSAA Facebook group is for members to have an informal, online setting to get in contact with classmates, get updates between issues, and socialize. This is a moderated group with two moderators who will oversee the postings – myself and Jessica McSheehy Del Llano ('94). Many alumni are already using Facebook not only to socialize, but also to network within their particular industry and organization. If you are on Facebook and would like to join the group, search for it under CHSAA - Chelmsford High School Alumni Association, or send me a message at Kristin Thomas (Boston network).

Our database is being updated with the help of Bob Pariseau ('64) and Rob Russo, moving us from an older system to ACCESS. This will help us better organize membership data for all classes, and have the ability to sort data for different events. Despite all these updates, I'm sure many are asking, "Why does it take so long for me to receive my Lion's Pride?" Alas, we on the staff and Board of Directors truly wish we could help with this, but the matter lies within the US Postal Service. Our magazine is sent via bulk rate, and with this comes the handling of bulk mail. Bulk rate mail is handled in pounds, not by number of items. Once it leaves Chelmsford, at its next stop it may have to wait until the appropriate number of pounds is acquired before it moves on to its next stop. This is truly frustrating. As always, if you do experience a delay in receiving your magazine that is much longer than that of others in your area, please do not hesitate to contact me or any other member of the staff. Ironical, isn't it that my text message to Russia may take seconds, but our Lion's Pride takes weeks to get to Seattle?

So, on with 2008! I hope to hear from you, the reader soon, whether it be in the form of snail mail (our US postal service bulk mail!), email, Facebook, or over coffee. If you recruit a new member after reading this editorial, I'll even treat you to a latte (and not a virtual one, either!) ■

person, not just the parts. I repeated this statement from my earlier writings because I feel it is so significant that we remember that we are rewarding the whole person not just a part of the person.

I want to take a minute to thank George "Bucko" Dixon for his tireless work to put together a CHSAA golf tournament this past fall. We all had a wonderful time and managed to raise some significant dollars for the capital campaign. The next annual CHSAA golf tournament will be held in May and we hope to see many more of our alumni there. Contact George Dixon, George Simonian, or myself if you are interested in playing in, working on or contributing to this event.

It is my privilege and honor to again be your president, and I hope to produce further growth in the operation of and the membership of the CHSAA. Thank you for allowing me to be your president. ■

## PRINCIPAL'S MESSAGE

*Al Thomas*

It is almost the end of the first semester! It is hard to believe that one half of the school year is almost over and that we will soon be into exam week.

Our fall athletic teams were recently honored at the Fall Sports Awards Night. We had the best fall season in twelve years!. Most people know that we won the MVC football championship, defeated Wayland in a Division IA playoff game that was one of the most exciting games in CHS history, and defeated Marshfield in the Division IA Super Bowl at Gillette Stadium. Most do not know that our fall varsity teams had a combined record of 94-38-8!! Our boys' soccer team won the MVC Division II title. Our boys and girls cross country team both won MVC titles. Our field hockey team shared the MVC title with Andover. Our girls swimming and diving team was second at the state championship meet. Because of our success, the honors were numerous. These are some. We had 37 athletes receive MVC "All-Conference" recognition and 36 receive MVC "All-Star". Brian Crane (boys cross country), Jack Lang (girls cross country) and Bruce Rich (football) all were named MVC "Coach

of the Year". Globe or Herald "All-Scholastic" recognition went to Sarah Shanahan (cross country), Chris Brown (cross country), Katelyn Martin (swimming), Kelsey Sheridan (swimming), Anna Otto (swimming), Kasey Chilton (swimming), Kaila Umbarger (swimming), Katherine Anne Kinnett (swimming), Tim Rich (football), Chris Smart (football) and Molly Powers (field hockey). When team awards were given this fall, a new major award was added – Scholar Athlete. In addition to the traditional "Most Valuable" and "Most Improved" awards, the student with the top academic average was honored. I am really pleased with this addition. It gives real meaning to the term "student athlete".

Our music students continue to do well. We had 22 students earn membership in the various Northeast District Ensembles. The Winter Concert, just before the holidays, was excellent. The sound in the new Performing Arts Center is wonderful.

The CHS Theater Guild will be putting on their children's play in a couple of weeks. Their production of *The Crucible* this fall was very

well received. Dan Silvia, Theater Guild assistant and set and technology expert, has resigned to take a new position. He will be missed, but Nancy Arena of the English Department has stepped forward to take his place.

Chelmsford TeleMedia and CHSTV won the cable award for professional sports coverage of the Lowell Spinners with their "Live Game of the Week". Senior Max Scott won first place in the student documentary category for his film Any Road Will Do. The film documents the start-up operations of the first privately owned tv station in Laos. Max traveled to Laos and Thailand during the winter of 2007 to shoot the film.

MTV recently held a "casting call" at CHS for the show MADE. Some forty students were interviewed. MTV has asked to return to Chelmsford to shoot five students, in school and at home, for possible inclusion on the show. It was fun for those interviewed and it would be exciting if a CHS student were chosen to appear.

As we move into the New Year, serious budget issues face the Chelmsford Public Schools. The schools have been asked to cut \$2,345,000. To do so, there will be some combination of staff reductions, a school closing and redistricting of students, fees, and privatization of food services and/or custodians. It is very important to stay informed. Most of us live in Chelmsford because of the quality of life that is found here. Quality education has been a major aspect of that quality of life and must remain so in the future. ■

## CHS STUDENT PROFILE

By Debbie Haywood ('74)

---

# ALYSSA PISARIK ('08)

---

It was a pleasure to spend time with this issue's student, Alyssa Pisarik. Alyssa is the daughter of Jennifer and Kristopher ('77) Pisarik. She is very involved in activities at Chelmsford High School and in the community. Alyssa is an outstanding student athlete, captaining this year's cross country team to an MVC championship. Her hard work, dedication to running and her ability to lead others have earned her the respect of her teammates and coaches as well as this year's Coach's Award. Since her freshman year she has been selected to the Merrimack Valley Conference Cross Country All Conference Team and as a sophomore was chosen the team's Most Valuable Player. Coach Jack Lang said, "Three attributes come to mind when I think of Alyssa: hard worker, great leader and a fine example for others. She is a very important part of our team and someone I truly enjoy working with." Alyssa has been selected to the Boston Globe and Lowell Sun All Star for the past three years. She has enjoyed many successes as a member of the teams at CHS, but one of her favorites was being a member of the State Championship Cross Country Team during her freshman year. She also runs Winter and Spring Track, and has been named to the MVC All Conference Team.

Running is a family affair; Alyssa's three sisters also run. Her older sister, Beth, was an outstanding runner while at Chelmsford High and is continuing her success at Brandeis University. Her younger sisters, Kristy and Jennie, are following in their sisters' footsteps. Her school activities would make your head spin! She has been a member of the school's yearbook staff, The Lion, for the past three years.

She has served as the Head Sports Editor and is currently the Administrative Editor in Chief. Alyssa is a member of the National and Spanish Honor Societies and is the treasurer of the Spanish Honor Society. She organized and carried out a very successful Sun Santa drive, enlisting members of the Spanish Honor Society to help out. Her contributions to Chelmsford High School are endless. Dean Jeffrey Doherty said, "She is a wonderful young lady. She is truly well liked and respected by her peers and is role model to show them how to be successful as a runner, student and person. As successful as she is in track she is just as successful in life." Her activities outside the walls of CHS are just as impressive. She has volunteered at the Pine Street Inn, Middlesex Transitional Shelter, the Bay State Marathon, the Salvation Army, and The Paul

Center as well as a coach for the Chelmsford Recreational Department. She is a member of St. Mary's Youth Ministry program. Alyssa has found time to work as a full time baby sitter, at The Paul Center and as a Math Tutor. In the little spare time she has she enjoys being with her family and friends, listening to music and going to the movies. She is planning on continuing her education and is looking at a number of schools including Brandeis University, Stonehill College and Tufts University. Wherever Alyssa chooses to go I am sure she will make an impact and be as successful as she has during her four years at Chelmsford High School. I am sure all of you join me in wishing Alyssa continued success in all she does. She is truly an outstanding member of the Chelmsford High Community and a fine example of the exceptional alumna we will soon have. ■

# MISS MARJORIE SCOBORIA ('23)

---

**I**n a world where our media bombards us minute by minute with horrific news, to read a profile of the life Marjorie Scoboria is living is most uplifting. Born on June 27, 1906, last year Miss Scoboria celebrated her 101st birthday. As you can see from the photo accompanying this article, Miss Scoboria's commitment to helping others throughout her life shows through in her vitality and spirit.

For this edition's alumni profile, we have chosen to reprint an article written about Miss Scoboria in *Children's Circle News* from Fall/Winter 2006, the publication from the Christian Children's Fund. Aside from her distinguished teaching career, being a member of the Chelmsford High School Hall of Fame, and writing books of poetry, Miss Scoboria has been an active participant in philanthropic activities. Included in this list is the Christian Children's Fund, of which she has been a supporter for many years. Her work with this organization led her to be featured in their magazine not once, but twice.

"Imagine it's your 100th birthday, and you begin your day with a happy birthday wish from Willard Scott of the Today Show. Well on June 27, 2006, that's exactly how Marjorie Scoboria started her day. It was one more new experience in a life filled with growth and change.

Miss Scoboria was born in Massachusetts, in an era when women were more likely to stand in a kitchen than sit in a classroom. With her father's support, she attended Wellesley College in the 1920's. And, when it came time to pick a profession, she didn't shy away from mathematics – a field nearly devoid of women in the early part of the 20th century.

During her college years, Miss Scoboria was disturbed by the discrimination she and other women experienced. After she earned a master's Degree in Education, she became a teacher and for 37 years remained dedicated to working for the equal rights of women.

In 1995, Miss Scoboria learned about Christian Children's Fund and its sponsorship program and decided she wanted to become involved. She began sponsoring Fiona, an 11 year-old girl living in a CCF community in Uganda. She also started a penpal relationship with another little girl who lives in Massachusetts and was in the fifth grade.

She received letters from both children and was surprised by the difference in the lives of the two girls – especially in relation to what Fiona lived without.

Miss Scoboria wanted to make sure that if anything happened to her, Fiona would continue to be cared for. So through Christian Children's Fund she created a Legacy Sponsorship for Fiona, ensuring that the young girl would be taken care of through her 18th birthday. After that, Miss Scoboria's Legacy Sponsorship will begin helping another child until his or her 18th birthday, and the legacy will continue in perpetuity.

"I knew I wasn't going to outlive her," Miss Scoboria said. "I just wanted to know that she was taken care of."

Miss Scoboria has not lost her determination to prove something and continues to make her point known. She writes as often as she can – often creating poems. She also sends birthday cards and makes cookies for those who are sick.

She has obviously remained healthy – thanks mostly to an active lifestyle that once included rock climbing. And she continues to keep her mind sharp by playing Scrabble and completing word puzzles.

Marjorie Scoboria has experienced a lot during her 100 years, and now she has peace of mind knowing that Fiona will receive valuable help that will let her grow into a healthy and educated adult – with life experiences of her own."

I was just reading the letter from Carl Lebedzinski in the Class of 1935 and wished I could receive a similar letter from every remaining member of my class. What stories they would tell! I missed the opportunity to get their WWII stories in earlier years. They, too, could tell great stories of families and adventures. The students at Chelmsford High School have many more golden

opportunities now than we did, as evidenced by the many scholarships awarded from the CHS Alumni Association alone.

I continue to live at Chelmsford Crossings where my needs are few and there is always an activity going on. Come visit me. Son, Bob, and Barbara, Class of 1963, are never too far away.

From the membership renewals we learn that Alix Marinell Mulaniff lives in Merritt Island, Florida.

I'll keep hoping to hear from you, classmates.

Harriette Ford House passed away on

May 10, 2007. Her daughter, Linda House Brousseau, wrote a wonderful letter with memories of her mother, which we have reprinted here.

"My mother (Harriette Ford House) passed away May 10 after a bad fall at home. She was at home on hospice for renal failure. Her first hospice (six months or less to live) was over February 13. I was afraid they'd take her off hospice but the nurses said there was no question that she needed it and that this 'regression' would end. I had come up from Florida at the end of December to stay with her until the end. She was so sick I thought I'd be home again in four or five weeks. Surprisingly, Mom started to get better. She went from sleeping all the time, being in a hospital bed or wheelchair, unable to walk or eat, she reversed everything. Within two months, she was having second helpings at dinner (with a lot of cookies in between meals), stayed awake on the couch all day and walked without using her cane. Mom continued to improve and in good weather spent a lot of time on the patio.

"We had lunch outside on May 9 and it was a perfect day. I went inside to call my husband in Florida and Harry Bacon went out to grab the lunch dishes. Mom evidently got impatient and tried to come in the house by herself. She fell from the top step of the patio straight back onto the bricks. She never regained consciousness and died the next day. In an eerie twist, Mom fell twenty-six years to the day after my father fell from the Unitarian Church steeple. I never would have imagined

in my wildest dreams that both my parents would die from falls and both fell close to Mother's Day.

"I also never thought I'd be lucky(?) enough to spend another New England winter shoveling snow! I'm very, very grateful for the time Mom and I had together. I cooked all her favorite recipes and made tons of cookies. We talked a lot about her dying, her funeral and how she wanted it done, and her life. We cried together but most of all we laughed.

"We'd get silly and giggle like kids. One night PBS had a DooWop show on and we ending up dancing...kind of! I will always have that picture of Mom swinging and swaying and the two of us laughing so hard we could hardly stand up. What wonderful memories I now have."

From Mary:

My grandson, Scott Gilchrist, son of Martha Partridge Gilchrist ('65), returned from Iraq in October. He had a nine month old son to come home to. He is stationed at Ft. Riley, Kansas. In November Scott, his wife, Vicki, and their son, Logan, came to Chelmsford to visit his mother and all his aunts and uncles. Logan was the star of the day. Everyone was thrilled to see them.

I had a phone call from Chet Russell ('41) the other day. He sounded great as we reminisced about old friends.

I also had a Christmas card from Corinne Knox Bartkovick ('41). She

and her husband live in Hollis, New Hampshire. My husband and I used to attend the same dances as Corinne and Joe.

Hope this finds everyone well, and hope you all have a healthy and happy New Year.

Greetings from wintery West Virginia. I hope everyone had a good holiday season. We were back in Charlottesville for the Christmas holidays. Then our two Virginia families came to the mountains to enjoy some snow. They all had fun ice skating. It brought back memories of skating at Lupien's and Gaudette's when we were growing up.

I talked to Phyllis Palmgren Almgren after the holidays. She lives in California and had braved the cold and spent Christmas in Illinois with her son, daughter-in-law and grandchildren. It reminded her of winters in New England.

Don Reid, also from California, called to say he and Dottie wouldn't be coming to the mini-reunion in Florida. He wanted to make sure our 60th would still take place. I assured him that it would. Do we have some volunteers to help plan it? Any suggestions for a date, time and place are welcome. 2009 will be here before we know it!

Rick Hadley called to say he wouldn't be able to make the Florida get-together. He has had two back operations this past year. He's recovering well but a long trip is out for a while. He and his wife, Dolores, also live in West Virginia. Charlie and I met them for lunch in Cumberland, Maryland, a half way point between our homes. We hadn't seen Rick for twenty years. It was fun catching up and meeting Dolores. They collect and show antique cars.

By the time you read this, our Florida mini-reunion will have taken place. Connie Leo Bishop contacted everyone by e-mail or snail mail. Muriel Cole Laurin made the arrangements for the luncheon at the Villa de Flora Room at the beautiful Gaylord Palms Resort. Many thanks to Connie and Muriel for helping make this event happen. Hopefully we'll have a good turnout. We'll let you know next time.

Until then, stay healthy and happy.

As we approached the year 2008 we survived our snow/rain storm combinations but not as bad as those living in the central part of the country with those ice storms, etc. Those of you who are snowbirds probably left for Florida and other warm locations as soon as snow was predicted.

Jack Edwards was part of a group who went to Jordan and Egypt. He said it was an eye opener and gives one a new aspect of things where world events are taking place. He felt safe, however, as his group had an armed security person in both Jordan and Egypt. Cairo is one city that can fit six lanes of traffic into four. However, it is not a clean city; you see all kinds of things such as camels and goats within the city traffic which is horrendous. In addition to Jordan and Egypt he visited the Palestinian section of Israel's West Bank.

Classmates heard from were Bob and Miriam Smith, Janet MacEntee, Fred and Barbara Costello, Dick O'Boyle, Joyce Waun, Vincent and Louise DiMartino, Majorie Hopler, Dorothea Marinell, Connie Stone, Helen and Earl Stuart, Janet and George Georges, Don Pickard and Pauline, Jim Kerrigan and Lorraine, Dottie and Ed Smith, and from five Special Forces soldiers presently serving in Afghanistan.

Barbara Malloy Oliver said her sister passed away in October. Our condolences go to her and her sister's family.

I made up several CDs with photos taken by my camera person, Judy, at the class reunion and sent some to

several classmates and in some cases photos of certain individuals who attended. Any classmate who would like a copy please contact me by email, phone, or snail mail with your address; I will send you a copy. In order to view the CD one must have a computer, as it will not work in a DVD player. I have received several requests already.

Janet Boumil Georges and husband, George, copied the one I sent them and returned the original to me with which I will recycle to another classmate. I have to thank them for a surprise package they sent me with special chocolates and baklava squares.

Enjoy the rest of the winter wherever you live.

Don Pickard and his wife, Pauline, reside in both Chelmsford and Naples, Florida. Don is retired and enjoys sports, fishing, golf, and traveling.

Lorence Wright Brake lives in Tyngsboro with her husband, Nelson. She is a new member to the CHSAA. Welcome!

Another new member to the CHSAA is Bill Chagnon. He lives in El Paso, Texas.

Congratulations to Anne Ballinger Iwen and husband, Milton, on the occasion of their 50th wedding anniversary celebrated on November 28th with friends and family at their winter home in Lutz, Florida. The Iwens have three children David, Alan and Jeanne who planned to be with them to celebrate.

On a crisp September evening the class of 1952 held its 55th class reunion at the Radisson Hotel in Chelmsford. Mike Sousa, chairman of the reunion committee, welcomed the classmates and then requested we observe a moment of silence for those who have passed away. Dinner was served to background music of the 1950's. After dinner was "getting re-acquainted time," reminiscing with old friends, lots of laughter, and many, many pictures.

On Sunday morning we enjoyed a brunch at Skip's Restaurant and had a chance to say our final farewells until we meet again.

Everyone agreed the reunion was a huge success with classmates traveling from Oregon, Florida, Arizona, Pennsylvania, New Hampshire, Maine, Vermont, Tennessee, North Carolina, and many other cities and towns within Massachusetts.

Hopefully we'll see each other again in 2012! Keep taking those vitamins!

Glady writes: Due to the timing of this submission of the newsletter coupled with the holidays, we do not have a lot to report.

In November we lost another of our classmates. Condolences go out to the family of Don House. Don served on the Conservation Commission for years, was a past Commander of the American Legion and a Scout Leader in Chelmsford.

"The Fearsome Foursome of Suburbia Football" was a great write-up in the Lowell Sun in November which covered four local coaches in the 50's. It included Joe Nolan along with Ed Murphy, Dracut; Chuck Lampson, Billerica and Charlie Hazel, Tewksbury. The article included a real nice picture of Coach Nolan and yes, these men were cut from a different cloth.

The ladies continue to have a great time at our luncheons. In November we met at Jackson's in Methuen. Found it to be real enjoyable. The food was good and the service very friendly. Regulars attending included Nancy Dzikczek, Dottie Leblanc, Lillian Copetta, Bea Donnelly, Gail Greenlaw, Joan Clement, Lorraine Mellen, Gerry Avila, Carol Christensen and Glady Dubey.

The CHSAA updates tell us that Roy Zabierek and his wife, Ruth, reside in North Fort Myers, Florida.

As we are getting this news together, it is snowing again--enough now.

That's it for 2007. In closing may we wish each and every one of you a happy, healthy 2008 and hope for peace!

From Nancy: Christmas letters brought news from family and friends. Highlights included:

Phil and Joyce Silk had an exciting twenty-four day trip around the world. Some highlights were New Zealand, Singapore, Fiji, and Los Angeles.

Win and Elaine Dermody celebrated their 50<sup>th</sup> wedding anniversary in Puerto Vallarta, Mexico, on a Royal Caribbean cruise.

Lee and Bud Wilkins are kept busy with their grandchildren's activities. Lee had a nasty fall while walking near home in October. She is slowly recovering. Professor Skip Wilkins has attained tenure at Lafayette College where he teaches music.

Marjoire Scoboria, at 101, states there are six people older than her at North Hill Retirement Residence. Her picture and a short bio were published in the Wellesley College magazine, along with three other old graduates. She continues to write poetry.

Louise Sweet has recovered from a fall in her back yard. What they say is true -- most all happen near home!

Ronnie and Pat Yates enjoyed the holidays with their kids. They want to thank everyone for their thoughtful prayers and cards. Their address is 57 Bowers Avenue, Tyngsboro, MA 01879.

We are looking forward to our 55<sup>th</sup> class reunion on October 4, 2008, at the Princeton Station. It should be a fun evening.

It is that time of year when we all start looking forward to warmer weather, leaves on the trees, green grass, pretty bedding flowers, the birds setting up housekeeping for their families and the Red Sox. So how about the Sox? Gone are those pleading, pathetic days of the Sox

begging to win a world series. They sure gave us a great season. The day I write this is December 6<sup>th</sup> and now we have the Pats giving us an exciting football season.

Out and About – Last spring Carole Harper McQuarrie of Gualala, California, traveled to Chile for a vacation. Carole is retired and enjoys gardening. Rick and Sharon Johnson of Solvang, California, took their annual fishing trip for a few weeks in September in the Eastern Sierras in California and Nevada. Nancy Leslie Avila from Chandler, Arizona, spent a month on vacation in Palatine,

Illinois, with Elaine Avila McClarity ('54), Elaine's husband, George, and her mother, Elsie, age ninety-three. While there they went to Arlington Park Thoroughbred Race Track. On another occasion they took the train into Chicago for window shopping. The whole vacation was all about enjoying being together and reminiscing. In late September Pat Sorbo Carlson of Valencia, California and her granddaughter, Ami, spent a week's vacation in D.C. touring the Capitol Building, White House, and much more. Pat's new email is pearlson@ca.rr.com if you'd like to get in touch with her.

*Ron Taylor and Earl Guilmette at Skip's Restaurant on June 19, 2007.*

*Thanks to Rick Johnson for the photo submission.*

It sure is a pleasure to be renewing my friendship with our classmate Eileen Harrington Collomb of St. Augustine, Florida. We had lost her for some time. She was found by GiGi Long Kelleher of Wilmington, Delaware, in 2005 after our 50<sup>th</sup> reunion. I first met Eileen in the fourth grade at the McFarlin School. Our teacher was Emily Hehir. In the sixth grade we were transferred to the Westland School. Our first teacher there was Mrs. Mills. After high school Eileen went on for four years at Lowell State Teachers' College, now the University of Massachusetts at Lowell. After college she taught one year in Ayer, one in Chelmsford, and three at Fitchburg State. In 1964 Eileen went on to work for the Department of Defense for schools which were run for dependents of the military. Her first assignment was two years in Germany, then in 1966 she was transferred for another teaching position in Spain for two years. While in Europe she took advantage of traveling the area. After filling out mounds of paperwork she was able to travel behind the iron curtain countries "before the wall came down," including the countries of Russia, Poland, and Czechoslovakia. She spent six weeks driving through Denmark, Sweden, and Norway. Eileen also toured Belgium, France, the Netherlands, Austria, Switzerland, and Italy. The Middle East was another great experience. She traveled to Egypt, Morocco, Jordan, Syria, and Lebanon. Adding to her

passport were tours to England and Scotland. Just like a snap of the finger we are now in 2008, reminiscing about our school days.

**New Digs** – Paul and Eileen ('56) Peterson have moved to a new town house in Westford on 5 Whitman Lane. Also, Peggy Connor Jolin has a new abode in Lakeland, Florida. Her address is Park Club #272, 3110 East Oak Bridge Boulevard, with a zip code of 33803.

**Around n' About** – Wendell Luke has a new granddaughter. Maggie was born on April 10, 2007. Wendell and his wife, Reba, spend much of their time babysitting Maggie and her four year old brother, Nohah. Carol French Miller this past May flew to South Carolina with her daughter Laurie to attend her grandson John's graduation at Duke University. Then in August Carol and Gerry Greska rented a beach cottage for two weeks. The first week was with Gerry's family and the second was with Carol's family in Seabrook Beach, New Hampshire.

On October 21<sup>st</sup> Bob Wetmore and his family drove down to Miami from his winter home in Fort Lauderdale to attend the Miami vs. the Pat's football game. They were all so excited that the Pats won. Sorry Bob's name was omitted from our summer outing photo. He is on the lower left in the Fall edition of *The Lion's Pride* on page twenty-five.

**Tid-Bits** – Pat Elliott Bernard and Barney spent a week's vacation in Wells, Maine. Dick and Priscilla Burt spent their holiday touring Ireland for two weeks. In July Tom Bovill and his son, Tom Jr., were seen July 1<sup>st</sup> at the NASCAR Nextel Cup Races at the New Hampshire International Speedway in Loudon, New Hampshire. In August Carol and Fred "Butch" ('58) Bovill invited Tom and Barbara Bovill to attend a beautiful outdoor wedding ceremony for their son, Bruce, in Canterbury, New Hampshire. Chris and Dottie Tassios Zahos traveled on a luxury tour bus to spend a few days in Quebec City, Quebec, Canada. Our big news this time was our 50<sup>th</sup> class reunion, which was held September 21<sup>st</sup>, 22<sup>nd</sup>, and 23<sup>rd</sup>. We started out on Friday night at the Chelmsford country club when we had a real treat. We enjoyed the terrific music of Richie Dee (DeFreitas) and the West Coast Jazz Octet. On Saturday we were back at the Country Club for dinner and a social. We had a wonderful time. For some classmates it was their first time to come back for a class reunion. It was a great feeling to be among classmates, some of whom you hadn't seen in years and to feel like you were among family. On Sunday morning we gathered at our old hangout, Skip's, for breakfast. Everyone agreed that even a week wouldn't be long enough to get to talk to everyone and catch up on their lives. The following classmates attended at least one of our events:

Ron Aubrey  
Betty Bell Sargent  
Bob Bennett  
Janet Bentley Gibbs

Several classmates who had planned to come had last minute emergencies that prevented them from coming. We hope that Paul McIntire is feeling better after his surgery; we missed him and Lila, as well as Francine O'Sullivan Garrity, and her husband, Tom, who is also recovering from surgery. Carolyn Howell Winters' mother fell and had broken bones just prior to our dinner, so we missed seeing her also. I hope everyone has received their reunion booklet and is enjoying it. The pictures came out great (be sure to see the photo in *The Lion's Pride*).

The " '57 Ladies" got together for lunch between Christmas and New Year's at the Princeton Station and had a terrific time. Those attending were Maureen Curran Aspell, Beth Simpson McHugh, Brenda Vinecomb, Marcia Richer Brown, Ann-Marie Sehlstedt Winkowski, Helen Popplewell Hanafin, Lillian Gray Roberts, Kay Morrow Stidsen, Berta Jones Erickson and I.

Until next time, keep well and send news!

Recently, I have been meeting with the 1958 Class Reunion Committee. This committee is planning our 50<sup>th</sup> celebration on June 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup>, 2008. Class members should make note of the dates.

FIFTY Years! Who'd believe it!

On Friday June 6, 1958, we graduated from Chelmsford High School. We are hoping to have an impromptu get-together at the "Princeton Station" to celebrate 50 years.

You probably have heard from one of the committee by now and are making plans to attend.

Plans are underway for a 50<sup>th</sup> Class Reunion. It will be held at Nabnasset Lake Country Club on June 7, 2008. We will have cocktails at 6p.m followed by dinner and dancing or just plain socializing. Sunday, June 8, 2008, we are hoping to have a "Break-up Brunch" at a local restaurant. This too will be on a pay-as-you-go basis. Tickets for the 50<sup>th</sup> Reunion at Nabnasset Lake Country Club are to be determined. Any monies, (if any) left over after all expenses are paid will be donated to the Chelmsford High School Alumni Association Scholarship Fund in the name of the Class of 1958.

Please call Martha Flaherty if you have any questions regarding any of the planned activities. My home phone is (978) 256-6322 (leave message), my cell is (978) 360-0044 or you can email me at martha58chs@hotmail.com.

I would like to hear from you as soon as possible so we can determine price, location, etc. Does anyone know where any of the following classmates are? Bruce Baron, Betsy Clark, Loretta Collins, Sandra Doubleday, Ruth Duddy, Jim Flynn, Dolores Lemay, Russell Reid.

Please try to attend, as we are all really looking forward to seeing you.

I had a nice note from Carole Henderson Jewett. Carole has moved from Westford to Groton where she and her husband spend time in the summer months. Winters are spent in Florida. Carole has three grandchildren: Daniel Jewett (born March 16, 1990), Joseph Siriani and David Siriani (twins born on June 14, 1997). Her husband enjoys antique cars and they go to many antique car shows. Carole enjoys quilting.

Carol Belleville Curran writes through the CHSAA that she is now

retired. She and her husband live in Tyngsboro, and she enjoys her grandchildren, camping, gardening, and cooking.

Mary Kenyon Senna is retired, and lives in Westford. In her spare time she lists her interests as crafts, bowling, and cribbage.

Our condolences to Marianne Bujnowski Russell who lost her son, Jason Russell, in a car accident in Maine on November 13<sup>th</sup>. He leaves a wife and two year old child.

As many of you know, Marlene Poulin Abbott has been struggling with cancer. We ask that you keep her in your prayers. Our classmate, Jerry Mullins, who was her first husband, and their three children, Wendy Marlene, Brent Jerome, and Eric Jerome have recently spent time with her. Below is a picture of Marlene and Bob Chevalier when she visited the east coast last fall.

Chuck Cooke reports that his younger son, Brian, married Colleen Roach in Pasco, Washington in October. Brian lives in LA, as does his older brother, Chuck Junior. Chuck Junior, Brian, and Colleen spent Christmas with Sue and Chuck at their new home in South Carolina. After retiring from her job as the principal of the Cutler Elementary School (Hamilton, MA), Sue is working again - she's a Clinical Assistant Professor in the Education Department at Armstrong-Atlantic State University (basically, she supervises and evaluates student teachers in the elementary education department). Chuck has apparently not felt the urge to go back to work and we suspect he is examining golf courses from a player's perspective. (see photo in this Lion's Pride edition)

Betsy Draine has retired and sent us this note: "Now that we're retired from teaching English at University of Wisconsin, my husband, Michael Hinden, and I have opened up a small art gallery in our home in Middleton, Wisconsin (just next to Madison). We feature 19th and early 20<sup>th</sup> century paintings from the U.S., England, Ireland, and other European countries. We are having lots of fun seeking out the paintings, researching the artists, and then showing the art to friends and visitors. Our wares can be seen at [www.artintheafternoon.net](http://www.artintheafternoon.net)

Dick Bir and Susan Bir noted that: "Our daughter got her PhD on December 20. Her daughter is due to be born on April 19. Is that still Patriot's Day in Massachusetts? Our daughter-in-law is due to have a baby in August."

Barb and Bob Mackey have sold their house in Chelmsford and are living temporarily in town prior to relocating to South Carolina in the spring.

Sandy Whitcomb Malikin has promised a full update on her activities for the next issue.

For further information go to [www.chsalumni.org](http://www.chsalumni.org) and scroll down the home page to "And the Beat Goes On." Click on that link and you can see how you can participate - whether you played an instrument or sang. It sounds like a lot of fun!

Carol Auger Smith is retired and lives in Littleton. She enjoys golf, gardening, and her grandkids.

Ellie Pappas Baker writes, "Bob and I have both retired. We sold our house in Tyngsboro and have built a new house in East Falmouth."

Ann Dirubbo Peterson is retired, and lives in Nashua, New Hampshire.

Just today we got a great note from Donny Wilcox. He continues to be a man of strong convictions and good humor. He also related having seen an old Newsweek picture of his kindergarten class that included Bruce "Woody" Woodward as well as Steve Fabbri and Charlene Lombardi Lyon, who both passed away this year. Amazing memories! Keep in touch!

From Nancy Hughes: Happiness and good health in 2008 to the class of 1965!

I received a touching note from Sherry Nelson Jason this past November. Sherry has been giving cancer a good fight and is upbeat and winning the battle. Her words were very positive as she celebrates a one year anniversary of being cancer free. Sherry – you go, girl! Your support group sounds wonderful. You're in the hearts and prayers of your classmates. Stay strong and keep up the good work.

Next month I will become a grandmother once again to another little girl. My son, Kenny Hughes ('88) and his wife, Jennifer, are expecting their second daughter in February. Reese Lilly will join sister McKenna Rose along with her cousins Miranda, Paige, Patrick, and Louis. I'm looking forward to granddaughter number four!

Word out there is that Russ Mann is rejoining a '60's style band. Good luck with your newest adventure in music, Russ!

Carole LeBlanc Alexander has decided to resign as class agent. She has been very busy with her career and schooling and for that we congratulate her. I have taken on her duties and will be joining Cindy Dupee Gale trying to keep you informed of all the class information we can get our hands on!

Since our 40th reunion in 2006, several classmates have stayed in touch through the message board on our web site: [www.chelmsfordhigh1966.com](http://www.chelmsfordhigh1966.com).

Though we are separated by miles, our friendships have endured. We have gone through sorrow, happiness, joking and all around caring for each other. Some of the bloggers were just classmates but now have become good friends. We would love to have others join in with us!

The year of 2007 will be remembered for the passing of a classmate's daughter to breast cancer after a two year battle. The courage this twenty-nine year old girl showed us was incredible. Shannon Morin, daughter of classmate Ray Tuck will be remembered in our hearts forever.

A few classmates' fathers passed away: Karen Greenwood McCabe, Richard Osberg, and Cindy Dupee Gale. John Knox's wife just passed away after being ill for many years. If there are others I have missed, I am sorry. I will try to keep updated in my new position as a class agent.

Rick Siebert, «Sieb», had his battle with cancer this year also. He has done remarkably well and continues to improve. Someone heard our prayers.

I'm very saddened to inform you of our classmate Mark Frye's (and his wife Theresa) loss of his son tragically in October. Please keep Mark and his family in your prayers for the strength they'll need to survive their loss.

Debbie Caffrey Linnehan and her family had their first annual fundraiser for a memorial scholarship in her son Christopher Wooster's name. The scholarship is for a student going to Middlesex Community College and given through the CHS Alumni Association. As you probably know Debbie also lost her son to tragedy and this is one way of keeping his memory alive. It was a great

show held at the McCarthy Jr. High (our high school) in November. The entertainment consisted of Jack Knox ('66) and the Continentals, Bobby Kinney (little brother of our classmate Ricky) who crooned us with his solos and duets with other very talented vocalists and musicians. There were great raffles and it was nice to see some classmates there: Jack and Kathy Kerrigan Judge, Mary Munroe and Jim Nihan, and Carol Glidden DiMao.

On a happy note Patti Britton had a Christmas gathering of the "hot babes" at her and her husband Barry Wentzel's ('75) beautiful home in Dunstable in December. My stomach hurt the day after from laughing so much. We don't change that much from high school, maybe (hopefully) a little better and much crazier! (See photo.)

On an even happier note, Dave Tousignant is enjoying a successful recuperation from his stem cell transplant! I had a really pleasant phone visit with Dave and he's really enjoying all the good days he can get (unfortunately there are still some not so good days) and feels very blessed to have all the support he has received via thoughts, prayers and emails katmonstor@AOL.com and of course the blog that Marilyn McCaul Tremblay has established Davetousignant.blogspot.com. As I have mentioned before you can go onto this site and by clicking on the ads it automatically puts a few cents in an account for Dave and his family. It would be great to start a campaign of passing this info along to your friends! Also there is an account set up: "for deposit only-acct# 004607559442", Mail to: Bank of America, 105 Main Street, Pepperell, MA 01463 or drop it off at your local Bank of America. Please keep Dave and his family in your prayers.

*(Bottom Right) - Jane Fraser Drew, June Fraser Zoia, Kathy Donnelly Georges, Kathy Keating Berry, Sandy Moores Yurko*

were Bill Amirault from New Jersey, Paul Beauchamp from Florida and Marty Weintraub from Minnesota. I collected a few business cards at the reunion. Bill Amirault has published *The 50 State Quarter Poems*. Daryl Webster is a social studies teacher in Mansfield. Kathryn Villare is the director of new media at the Massachusetts School of Law in Andover. Bill Green is the manager of Information Systems for the Weathervane Seafood Restaurants and Jack Gravell owns New Life Service Company.

Quite a few invitations were sent out via the Classmates.com site. Unfortunately many class members never received their invite because they have changed their e-mail since signing on to this site. This was made known to

me when Donna Bean Kenyon mentioned to me that she saw the reunion advertised in the paper, but had not received an invite! Hard copies were sent to known addresses, but we still have many more class members to find. If we have twenty volunteers to track down about thirty-four people each in the next five years, this arduous task can be completed! Contact me to help and I will e-mail you thirty-four names.

Please send info about your life to me, so I can include it in the next publication.

Deborah Lewis Lennington is a Senior Financial Specialist with the University of Michigan.

Kelsey Korbey sent us a letter for the new year:

"My life has changed tremendously in the past year or so, and while I will try not to get too deep and crazy and mush, it truly has been the most difficult year of my life.

"I find myself alone now. Well, rarely alone, but without a husband, which at first was really difficult for all the things you can likely imagine and for many of the things some could never imagine.

"and I find myself without one of my best friends – Larry Day ('80), who lost his battle with cancer on August 6, 2007, after a very brief yet unbelievably long and sad three months. Larry and I worked together at his CPA firm, Lawrence L. Day, PC. He was my business partner, my mentor, my colleague, but most importantly my friend for over twenty years.

"Lawrence L. Day, PC, opened in 1990 in Tyngsboro and had survived on growth, on the willingness to take on new clients, as well as new endeavors for our existing clients. There were directions that Larry and I both agreed on and had planned on. And then, with the knowledge of his pending death, it became a direction that he asked me to move forward in. And I promised him that I would.

"So with Larry's blessing, I decided to merge forces with Jeff Murphy ('74), another local CPA. Jeff, like Larry and myself, had been providing individual and emerging business financial and tax advice for over twenty years and specialized in tax law, accounting, and consulting.

"Jeff and I opened Day, Korbey and Murphy, PC on November 1, 2007. This was an overwhelming honor, coming at such an enormous cost. Our firm remains in Tyngsboro, and we employ five staff accountants

along with Jeff and I, who each have over twenty years CPA experience.

“So, being a CPA and a mother of two boys, now twelve (Benjamin Borodawka) and nine (Lukas Borodawka), I stay very busy. But still I try to keep what is most important as a priority – that being family and friends. I live in Westford with my boys, and I manage to get a few days away each year from tax season to ski. I still ride a motorcycle and play tennis, although my twelve year old is almost as good as I am now – yikes!

“I toyed with not going to the 25<sup>th</sup> reunion this year, as my life seemed way too chaotic and unsettled to show up and put on a happy face. But, going with all my friends, who honestly have been rocks in my life since, well, high school, made all the difference in the world. I am really glad I went!

“Here’s hoping for a better 2008!”
